

Bookstore

The Kwantlen Bookstores provide students with texts, course related materials, merchandise and more at all four of our campus locations.

The Bookstore maintains a complete booklist of the required and optional texts, up to eight weeks before the start of classes. For your booklist visit the Personalized Booklist menu item on the Kwantlen Bookstore web page. Print a copy and bring it with you so our staff can ensure you get the correct materials required for your courses.

Our team of friendly and knowledgeable staff provide you with the best in customer care. Drop into any of our locations to experience the Kwantlen Bookstore difference. We can help you Consider, Compare and Choose

Check our website for information about store locations and hours, buyback, returns policy and special events.
