DESCRIPTION

The Associate Degree is designed to provide an educational experience that prepares students for work, citizenship and an enriched life as an educated person, and to lay a solid foundation for further study in the field of Psychology.

Students with an Associate of Arts Degree in Psychology who are interested in continuing their degree studies at Kwantlen can apply for the Bachelor of Applied Arts, Psychology degree or a Bachelor of Arts, Major in Psychology degree, or Minor in Psychology when combined with another BA program. Admission to these programs requires specific courses and GPA. For more information, please see the BA Major or Minor in Psychology and BAA Psychology program descriptions.

Information on the Bachelor of Science, Major in Applied Psychology can be found here.
