<b>How to Apply</b>	<a href="http://www.kwantlen.ca/admission">www.kwantlen.ca/admission</a>

admission requirements or course prerequisites, see Adult Basic Education and Qualifying Studies Courses.

For course descriptions, see:

- Adult Basic Education (ABE)
- Biology Qualifying (BIOQ)
- Chemistry Qualifying (CHEQ)
- English Qualifying (ENGQ)
- Mathematics Qualifying (MATQ)
- Physics Qualifying (PHYQ)

## CREDENTIAL AWARDED

These courses may be used to prepare for many Kwantlen programs.

All ABE courses are provincially articulated; some Qualifying Studies courses may be transferrable. Please check with the ACA Educational Advisor for details.

## DESCRIPTION

University Qualifying Studies provides an opportunity for study to students who want pursue upgrading or preparatory studies prior to beginning their undergraduate or vocational program. Students in this program of study can take both Qualifying Studies and Adult Basic Education (ABE) courses.

Qualifying Studies courses prepare a student specifically for undergraduate studies, and are delivered in a semester-based format. ABE courses focus on high school equivalency. Both can be used to meet admission requirements and course prerequisites.

To prepare for undergraduate or vocational program admission, students should review the program admission requirements of their intended program, and use the information below to plan their courses.

Students without sufficient course prerequisites to register in the Qualifying Studies courses can register in ABE courses.

## PROGRAM ADMISSION REQUIREMENTS

General university admission requirements apply to this program including the university preparatory-level English Proficiency Requirement.

Access to University Qualifying Studies depends on individual course prerequisites; students may qualify depending on previous academic experience and/or assessment.

All applicants are recommended to take assessments in English and/or math to ensure appropriate placement in the program. Assessments are booked through Student Enrolment Services ([kwantlen.ca/ses](http://kwantlen.ca/ses)).

## PROGRAM REQUIREMENTS

Requirements are dependent on the program of study the student is pursuing. For information about planning courses to meet
