DESCRIPTION

This 20 week program prepares students for employment in the parts and service industries as a parts person, warehouse person, or inventory clerk. Students will learn various techniques in inventory management that relate to the parts and warehousing fields. Through computer usage students will become knowledgeable in ordering, billing, identification, processes, as well as customer service skills.

This program is appropriate for students who enjoy working with computers, inventory controls, automobiles, commercial or industrial equipment. Additional information is available on our program website at: kwantlen.ca/trades/automotive_warehousing.

Students who complete the Foundation program and pass an ITA administered level 1 test, are eligible for credit for the first level of apprenticeship in-school technical training, as well as 300 work-based hours toward completion of the Parts or Warehousing apprenticeship programs.

PROGRAM ADMISSION REQUIREMENTS
