DESCRIPTION

The Career Choices and Life Success program is designed to assist students researching career and life options. Students gain self-knowledge through the use of career assessments and labour market knowledge by meeting prospective employers. This 16-week program highlights career search communication skills: writing resumes, creating career portfolios, job interviews and computer skills (MS Office). The program also focuses on decision making and creating a plan of action. Students leave the program with defined life/career goals and a plan for success.

STUDENT PROFILE

Students must be mature, motivated to learn and open to new ideas.

CAREER OPPORTUNITIES

These are exploratory programs aimed at assisting students in identifying and researching realistic career goals and helping them in developing a plan of action to achieve short and long term employment and/or educational goals.

PROGRAM ADMISSION REQUIREMENTS

In addition to KPU's General university admission requirements including the university preparatory-level English Proficiency Requirement, the following program admission requirements apply.

- Applicants should attend an information session and must have a personal interview with the instructor.
