A key part of marketing consists of gaining insights into customer needs and then developing effective marketing strategies.

The Marketing Management Diploma is a comprehensive program designed to give you a solid, general foundation in this exciting field. First the emphasis is on basic business knowledge and skills then students explore intensively the discipline of Marketing, with emphasis on the job skills and experience that business demands. Projects with local businesses and organizations are also included to offer students real world experience.

Graduates of this program may also be eligible for direct entry into the third year of KPU's Bachelor of Business Administration degrees in Entrepreneurial Leadership, Human Resources Management, and Marketing Management.

Certain courses in the program are also transferable to other post-secondary institutions. (Please refer to the BC Transfer Guide at www.bctransferguide.ca for specific transfer credit information).
