

Services for Students with Disabilities

Students with disabilities who require classroom accommodations or other support services are requested to contact a Disability Advisor 5-7 months before classes begin to discuss accommodations required to access programs and courses.

Support may include, interpreting, note taking, alternate format text, exam support, and assistive technology or adaptive equipment. Learning Specialists are available to support students with learning disabilities, including screening, assistance with funding for assessments, and learning strategies for course work.

Students with mental health disorders are encouraged to seek assistance and may qualify for: room to take medications, contact person when managing difficult symptoms of illness, part-time status, program extensions, leaves from courses during episodic illness and other support.
