

Tuition & Fees

The KPU Board of Governors approves tuition and other fees which vary depending upon the type and duration of the program. In addition to KPU approved tuition and fees, students also pay fees levied by the Kwantlen Student Association (KSA). Detailed explanations of the KSA fees follow the fee tables.

Tuition and fees are normally stated as a rate per credit. Therefore, the cost of a course can normally be calculated by looking at its credit value in the Calendar Course Descriptions and multiplying by the rate. Note that in some cases, a maximum or flat rate for a given semester or year is charged.

This fee schedule applies from 1 September 2015 to 31 August 2016, except as noted below. KPU reserves the right to amend this schedule without notice. Rates are listed in Canadian dollars.

Senior Citizen Fee Exemption

Exemption from payment of tuition and Kwantlen Student Association fees is available to any BC resident who is 65 years of age or older prior to the start of a term. All other fees (e.g. books, learning materials, equipment fees, etc.) must be paid. The senior citizen fee exemption is applicable to courses in which there are seats available after the scheduled registration period has been completed. Senior citizens who wish to ensure registration in a specific course may do so by registering and paying in the same manner as a regular student.

Any senior citizen wishing to register with the senior citizen fee exemption must submit a written request to the Office of the Registrar indicating the course(s) and section(s) into which they wish to register. Payment of a registration deposit is not required if a request for a senior citizen fee exemption is granted.

Note: The senior citizen fee exemption is not valid for Continuing and Professional Studies, Apprenticeship offerings, or cost-recovery programs offered by KPU (including, but not limited to, the Brewing and Brewery Operations Program).

Temporary Insurance Plan (International students only)

All new international students coming to KPU will automatically be enrolled in KPU's Temporary Medical Insurance Plan upon registration in classes for their first semester. Coverage begins on the first day of the month before the start date of a semester. Each student's name, student number, email, gender, and date of birth will be released to the insurer and plan administrators. Students will be enrolled in the plan for each semester until they can provide proof of coverage in the province's health care plan. This is coverage for basic medical costs and services and is in addition to the KSA Extended Health and Dental Plans.

| Semester | Coverage Start Date* | Coverage End Date | Opt-Out Deadline† | Fee‡ |
|-----------------------|----------------------|-------------------|--------------------|-----------|
| Fall 2015 (September) | September 1, 2015 | December 31, 2015 | September 30, 2015 | \$ 209.00 |
| Spring 2016 (January) | January 1, 2016 | April 30, 2016 | January 31, 2016 | \$ 209.00 |
| Summer 2016 (May) | May 1, 2016 | August 31, 2016 | May 31, 2016 | \$ 209.00 |

New international students beginning studies at KPU during Session Two will be assessed the Temporary Insurance Plan at a flat rate of \$110.00. Coverage period begins on the first day of Session Two and ends on the Semester Coverage End Date.

Notes:

* Students are covered for the period shown, regardless of the first date of study.

† Opting out will be handled solely through the carrier. See Opting Out below.

For more information about the Temporary Insurance Plan, please contact the Office of International Students & Scholars (kpu.ca/oiss).

PROOF OF COVERAGE

Proof of approved BC Medical Services Plan coverage can be demonstrated using one of the following documents:

1. BC Service Card; or
2. Letter from Health Insurance BC; or
3. BC Medical Services Plan Invoice from Revenue Services.

OPTING OUT

A student is able to opt-out of the insurance plan through KPU and receive a 100% refund for the current semester provided they submit proof they are covered by the British Columbia Medical Services Plan (BCMSP) coverage prior to the start of the KPU Temporary Basic Medical Insurance coverage. This must be done prior to the Opt-Out deadline for each semester. The BCMSP coverage **must begin prior to the coverage start date** of the KPU **Temporary Medical Insurance Plan** in order for the student to be able to receive a full refund. Students must opt out online at: finkelsteinfinancial.com/temporary-medical-insurance-opt-out-form

IMPORTANT: All international students must opt out online with proof of their BCMSP coverage or they will continue to be enrolled in the KPU Temporary Medical Insurance program in following semesters.
