DESCRIPTION

Students who wish to develop multiple areas of interdisciplinary expertise may create a Bachelor of Arts, Double Minor degree program of study by selecting minors in two Arts-related disciplines. The BA, Double Minor degree program bridges knowledge and skills acquisition, combining traditional classroom-based theory courses with those emphasizing essential and analytical skills and their application to problem solving. The flexibility of the program allows students to target a wide range of employment opportunities. They may pursue a general liberal arts education or, in consultation with an advisor, structure a program which leads towards a specific career goal.

Key features of the program include:

- The development of knowledge, core competencies, and skills characteristic of traditional Bachelor of Arts programs
- The preparation of students for entry into the labour market by incorporating essential skills in all courses
- The training of students to respond innovatively to emerging trends in society
