## DESCRIPTION

All prospective music students apply to enter the Bachelor of Music in Musical Arts Degree. Those students who wish to graduate with a Diploma in Music may apply after completing one of six concentrations.

The Diplomas in Music are two-year, four-semester programs totaling 60–74 credits. Each concentration is designed to help students develop their abilities in both academic and applied studies. All students receive four semesters of private instruction on their chosen instrument and participate in a large ensemble each semester. The core curriculum is augmented by electives chosen by the student in consultation with a faculty advisor.

The facilities at the Langley Campus have been designed to accommodate music instruction in orchestral, band, choral, and chamber music, as well as solo performance.

Intake occurs once a year in September for full-time program students. It is expected that most students will enroll in a full-time program, but part-time participation will be allowed subject to seat availability and the fulfillment of the course prerequisites.

Credit for courses completed at other institutions may be transferred subject to the approval of the Music Chair. As well, first time registration for some courses may be allowed in January subject to the approval of the Music Chair and fulfillment of any course prerequisites.

## Diploma Concentrations

There are six concentrations within the Diploma program:

- Comprehensive Studies
- Guitar Performance
- Orchestral Instrument Performance
- Piano Performance
- Vocal Performance
- General Studies

Students apply to the Bachelor of Music in Musical Arts Degree; they may declare their Diploma concentration later.

## Foundation Courses

Applicants who demonstrate musical talent but have not established a thorough grounding in the practical skills and general knowledge of music at the appropriate level may be given the opportunity to register in one or more foundation courses to

upgrade specific musical and technical skills. The Foundation courses include:

- Rudiments in Music (i.e., Theory)
- Listening to Music (i.e., Introduction to Music History)
- Studio Lessons (i.e., Private Lessons)

## ADMISSION REQUIREMENTS

In addition to the Faculty's Admission Requirements, which consist of KPU's undergraduate English Proficiency Requirement, the following program admission requirements apply:

### ■ Audition/interview

Applicants will receive an invitation to demonstrate their musical and technical skills in an audition, which will take place in April / May. Alternative audition dates are possible for students living outside the Greater Vancouver Region. For those who have completed the university application process by the specified deadline, late auditions may be held in August (subject to seat availability)

For all instruments except piano, the standard of practical work expected at the time of audition is equivalent to Royal Conservatory of Music (RCM) Grade 6. The entrance standard for piano is equivalent to RCM Grade 10.

### ■ A satisfactory score on the KPU Music Placement Test

The placement test assesses the knowledge and skill of the applicant in music theory, music history, and aural musicianship (i.e., ear training). The results will help determine the best point of entry for prospective students.

Applicants who have successfully completed the RCM – Advanced Rudiments Examination in Theory or Conservatory Canada, Theory IV may be exempt from writing the theory section of the placement test upon presentation of the certification of completion on or before the day of the audition.

Applicants who have successfully completed the RCM History 1 Examination may be exempt from writing the history section of the placement test upon presentation of the certification of completion on or before the day of the audition.

**Notes:**

\* It is strongly recommended that students take ENGL 1100, if they are considering any degree program upon completion of the Diploma in Music - General Studies Concentration.

† Students with keyboard experience may be excused from one or both of these courses, depending on the level of proficiency already achieved. In that case, secondary instruction in piano or other suitable instrument will be required. This will be achieved by completing MUSI 1155 and 1255. In addition, piano majors may apply for a course substitution totaling a minimum of 2 credits.

‡ Students may request a course substitution of one or all of MUSI 1156, 1256, 2356, and 2456 for any of the private music instruction courses.

## OTHER INFORMATION

### Private Lessons

Students may major in one of the following: piano, voice, strings, woodwinds, brass, guitar, or percussion. Private lessons are generally available only to students enrolled full time in the music programs.

## Secondary Lessons

Students may be eligible for secondary lessons only if they have successfully met all Keyboard Skills requirements (covered in MUSI 1154, 1254, 2354, 2454).

## Private Lesson and Chamber Ensemble Policies and Fees

To be eligible for private lessons, a student must demonstrate commitment to the Music Program by enrolling in a minimum of 9 credits per semester—excluding the lessons themselves. Part-time Music students must consult with the music chair regarding their private instruction options.

Like other post-secondary music programs, KPU charges a private lesson fee in addition to tuition. This is a separate fee, rather than a hidden cost. It is calculated according to the length of the lesson, as follows:

- ½ hour – \$300/semester
- 1 hour – \$500/semester
- 1½ hours – \$700/semester

To offset the cost of the unique chamber ensemble component of the KPU Music Program, a nominal user fee (\$100) is added to the cost of tuition for each chamber ensemble that a student elects or is required to take.

## CREDENTIAL AWARDED

Upon successful completion of their concentration, students are eligible to receive a **Diploma in Music**.
