

# Nursing

The purpose of our nursing programs is to educate nurses to work with individuals, families, groups and communities from a health promotion perspective and with an ethic of caring.

The programs assist students to develop sensitivity to people's experiences with health and healing. Students will learn to work as partners with clients and with other health care providers. Through their understanding of and participation in the changing health care system, graduates will be active participants in creating health for all.

## IN THIS SECTION

- Home: Nursing
- Graduate Nurse Qualifying: Certificate of Completion
- Graduate Nurse, Internationally Educated Re-entry: Certificate
- Bachelor of Science in Nursing
- Bachelor of Science in Nursing Post-Baccalaureate
- Degree Completion for Registered Nurses

## STUDENT PROFILE

Our nursing programs are recognized by the College of Registered Nurses of British Columbia (CRNBC) which is the regulatory body for registered nurses in the province. In order to practice nursing upon graduation, students must meet the CRNBC English Requirements and Requisite Skills and Abilities for practicing nurses. To learn more visit:

<https://www.crnbc.ca/WhatNursesDo/NurseStudying/Pages/RequiredSkills.aspx> and [www.crnbc.ca](http://www.crnbc.ca)

## CAREER OPPORTUNITIES

Upon successful completion of the nursing program and the Canadian Registered Nurse Examination, graduates will be eligible to apply to practice as a registered nurse in British Columbia.

Graduates of the nursing programs will be prepared to function as team members in non-specialized/specialized acute care, intermediate and/or long term care hospitals, clinics, home care agencies, and community health agencies.
