## DESCRIPTION

A Minor in Journalism is an excellent complement to a Major in many fields. Employers in a very wide range of professions value the highly transferable skills the Journalism Minor offers: communicating clearly in a wide range of formats, working in a multimedia environment, and conducting relevant research. Students with a Major in a different field and a Minor in Journalism are well-positioned to communicate about that field in a variety of ways and a variety of venues, including within their chosen profession, with the public, or as a specialist journalist. Students have lots of flexibility in choosing among courses focusing on writing, photography and video work, interactive graphics, and more. This minor may be applied towards any KPU bachelor's degree.
