## CREDENTIAL AWARDED

Upon successful completion of this program, students are eligible to receive a **Certificate in Health Foundations**.

## DESCRIPTION

The Health Foundations program provides the foundational knowledge and skills necessary to continue studies in the health care field. Students who successfully complete the program may, through a competitive declaration process, continue through the final three (3) years of the Bachelor of Science in Nursing or Bachelor of Psychiatric Nursing programs, or other undergraduate programs at KPU or elsewhere.

Note that admission to the Faculty of Health for the Health Foundations program does not guarantee registration in particular courses. Students intending to complete the Health Foundations Certificate and proceed into either the Nursing program or the Psychiatric Nursing program must declare that intention and then be evaluated based on the stated admission requirements for those programs.

## ADMISSION REQUIREMENTS

The Faculty's Admission Requirements, which consist of KPU's undergraduate English Proficiency Requirement, apply to this program.

## CURRICULAR REQUIREMENTS

The Certificate in Health Foundations requires the completion of the following 32 credits.
