How comfortable were you with your accommodation? Describe what did you do about meals and what other options were available. How satisfied were you with the food? How close was your accommodation to where you had to study? Section 5 COURSE REGISTRATION Please describe the registration process at your host institution. What assistance was available to you? Were you satisfied? How successful were you in registering for classes? What advice would you offer to another exchange student about to register at your host institution? Section 6 ACADEMICS How satisfied were you with the amount of knowledge/skills you obtained from your host? How did the style of teaching compare with that in Canada? How did the workload compare to what you would Very comfortable There was a cafeteria with pretty decent food at decent prices that closed around 6. I also cooked my own food. 1 min walk, it was on campus We got to try out the classes in the first week and then fill out a form for which ones we wanted to register in. We filled out a form checking off classes we wanted. Very easy and straight forward. Try out all the courses you want. Language courses are mandatory and determined by your placement test Very satisfied Classes were shorter Language classes were everyday. Teachers tended to baby us but were very
