Honorary Degrees and Awards Procedure

A. DEFINITIONS

1. **Distinguished Scholarship Award:** Exemplary teaching is a core element of KPU, and scholarship in its diverse forms is integral to that endeavour: the scholarship of discovery, creativity, application, teaching and learning, and integration. Accordingly, KPU recognizes and celebrates outstanding examples of such scholarship.
2. **Distinguished Service Award:** Distinguished Service Awards honour and recognize exceptional, long-standing service to KPU and/or the educational community that it serves.
3. **Distinguished Teaching Award:** Exemplary teaching is a core element of KPU and, accordingly, KPU recognizes and celebrates exceptional examples of teaching. This award is intended to recognize remarkable teaching as demonstrated by activities such as the development of new courses and curricula, contributions to the scholarship of teaching, development of effective teaching methods, enrichment of the learning environment at KPU, and contributions that improve the teaching of colleagues.
4. **Emeritus/Emerita Designation:** Emeritus/Emerita is an honorary appointment for life awarded to a retired employee for distinguished service and academic contributions to KPU and establishes a relationship that is both symbolic and active. The emeritus/emerita appointment recognizes distinguished performance of an employee, honours the employee's standing of high regard in the eyes of peers and colleagues, and anticipates the continuation of the employee's academic contributions to KPU past retirement.
5. **Honorary Doctorate Degree:** The honorary doctorate degree is the highest form of recognition granted by KPU to recognize persons who are distinguished by their significant contributions and accomplishments and whose excellence reflect positively upon KPU.
6. **Senate Standing Committee on Tributes (SSCT):** A committee of Senate with a mandate to develop operational procedures for the selection and recommendation of awards, honorary degrees and emeritus designation. The committee invites and evaluates nominations from the community and recommends candidates to Senate.
