

Tuition & Fees

The KPU Board of Governors has approved tuition and other fees for each program. They vary depending upon the type and duration of the program. Senior citizens (age 65 and older) are not charged tuition or other fees for most courses. In addition to KPU approved tuition and fees, students also pay fees levied by the Kwantlen Student Association (KSA). Detailed explanations of the KSA fees follow the fee tables.

Tuition and fees are normally stated as a rate per credit. Therefore, the cost of a course can normally be calculated by looking at its credit value in the Calendar Course Descriptions and multiplying by the rate. Note in some cases, a maximum or flat rate for a given semester or year is charged.

This fee schedule applies from 1 August 2013 to 31 July 2014. KPU reserves the right to amend this schedule without notice. Rates are listed in Canadian dollars.

Each student's name, student number, email, gender, and date of birth will be released to the insurer and plan administrators. Students will be enrolled in the plan for each semester until they can provide proof of coverage. This is additional coverage to the KSA Health and Dental Plans.

For more information about the Temporary Insurance Plan, please contact the Office of International Students & Scholars (kwantlen.ca/oiss).

Proof of Coverage

To provide your proof of coverage, students must present either their letter from Health Insurance BC or the Medical Service Plan invoice issued by Revenue Services BC. Note, a BC Services Card or a BC Care Card is not sufficient to prove coverage – it must be accompanied by your coverage letter from Health Insurance BC.

Opting Out

International students that already have BC MSP coverage, may opt-out of the Temporary Insurance Plan and receive a 100% refund if they submit proof of coverage by the Opt-Out deadline. The BC MSP coverage must begin prior to the coverage start date in order for the student to be able to receive a full refund.
