| Format | Full-time |
| Instructional Cycle | Semester-based |
| Curriculum Effective Date | 01-Sep-2014 |
| How to Apply | www.kpu.ca/admission |

DESCRIPTION

This unique program prepares internationally educated nurses (IENs) for professional nursing practice in Canada. This program is designed for IENs who demonstrate fundamental knowledge-based nursing practice and are required by the College of Registered Nurses of British Columbia (CRNBC) to renew and enhance nursing knowledge and skills, in preparation for nursing practice and licensure in Canada.

This program is designed to:

- Prepare IENs to practice within the Canadian health care setting
- Renew and enhance previously acquired knowledge and skills
- Identify and address individual needs
- Ensure graduates meet the professional practice requirements
- Enable effective communication skills with patients and colleagues

Notes:

- Clinical placements take place at any of the Lower Mainland hospitals between North Vancouver and Chilliwack. Students are responsible for their own transportation to clinical experiences.
- Seats will be offered to those who achieve a minimum number of knowledge-based practice competencies and no more than 50% unmet competencies.

CAREER OPPORTUNITIES

Upon successful completion of the program and the National Council Licensure Examination (NCLEX), graduates will be eligible to apply to practice as a registered nurse in British Columbia.

ADMISSION REQUIREMENTS

In addition to the Faculty's Admission Requirements, which consist of KPU's undergraduate English Proficiency Requirement, the following program admission requirements apply:

- A letter of assessment from the College of Registered Nurses of British Columbia (CRNBC) stating eligibility for registration upon successful completion of a graduate nurse re-entry program and a Substantially Equivalent Competence (SEC) Assessment Summary or a Nursing Community Assessment Services (NCAS) Summary.

Once students have received a conditional offer of admission and before final admission to program is granted, students must submit the following:

- Proof of Canadian CPR Level C certificate; CPR certification must remain current throughout the program.
- A Canadian TB skin test or chest x-ray dated within 2 years of registering into the program.
- An acceptable Criminal Record Check through the Ministry of Public Safety and Solicitor General's Criminal Records Review Program within 6 months prior to the start of the program.
- Applicants who have lived outside of Canada as an adult are required to secure a Criminal Record Search with the Vulnerable Sector from their country of origin. Please contact the Office of Admissions for further direction on obtaining your criminal record check

Notes: Agencies may require students to take an Oath of Confidentiality.

Current immunization records are required prior to placement in a clinical or practice course. Students are responsible for all costs related to immunization. Failure to have acceptable immunization documentation at the time of placement or clinical practice course may jeopardize completion of the program.

Please be advised that applications to this program will only be accepted from Canadian citizens and permanent residents / landed immigrants of Canada. As this is a limited-intake program, meeting admission requirements does not guarantee admission.

On November 27, 2017 a change to the admission requirements for this program was approved by Senate. Effective September 2018, in addition to the Faculty's Admission Requirements, which consist of KPU's undergraduate English Proficiency Requirement, the following program admission requirements will apply:

A College of Registered Nurses of British Columbia (CRNBC) assessment indicating either:

- Supplementary education to either a RN Re-Entry To Practice Program or Bachelor of Science in Nursing program, or
- Eligibility to apply for provisional or practicing registration

Either a Nursing Community Assessment Services (NCAS) Summary or a Substantially Equivalent Competence (SEC) Assessment Summary, completed within the last 5 years from the start of the program, with the following results:

- NCAS Summary:
 - Section 2 with 50%, or less, of undemonstrated competency themes, or
 - Section 2 with 51%, or higher, undemonstrated competency themes, and successful completion of the KPU course PNUR 9030 - Nurse Ready.
- SEC Assessment Summary:
 - 50%, or less, unmet competencies overall, or
 - 51%, or higher, unmet competencies overall, and successful completion of the KPU course PNUR 9030 - Nurse Ready.

Applicants with either a NCAS Summary or a SEC Assessment Summary over five years old, but less than ten years old, from

the start of the program are required to successfully complete the KPU course PNUR 9030 - Nurse Ready.

Once students have received a conditional offer of admission and before final admission to program is granted, students must submit the following:

- Canadian CPR Health Care Provider (Note: CPR certification must remain current throughout the program.)
- A Canadian TB skin test or chest x-ray dated within 2 years of registering into the program.
- An acceptable Criminal Record Check through the Ministry of Public Safety and Solicitor General's Criminal Records Review Program within 6 months prior to the start of the program.
- Applicants who have lived outside of Canada as an adult are required to secure a Criminal Record Search with the Vulnerable Sector from their country of origin. Please contact the Office of Admissions for further direction on obtaining your criminal record check.

Note: Agencies may require students to take an Oath of Confidentiality. Current immunization records are required prior to placement in a clinical or practice course. Students are responsible for all costs related to immunization. Failure to have acceptable immunization documentation at the time of placement or clinical practice course may jeopardize completion of the program.

Please be advised that applications to this program will only be accepted from Canadian citizens and permanent residents / landed immigrants of Canada. As this is a limited-intake program, meeting admission requirements does not guarantee admission.

The above changes will appear in the 2018-19 University Calendar to be published in June 2018.

CONTINUANCE REQUIREMENTS

Students must maintain a cumulative GPA of 2.67 with a minimum grade of C+ in all required courses, including electives. Non-adherence to these requirements will result in removal from the program.

CURRICULAR REQUIREMENTS

The Graduate Nurse, Internationally Educated Re-entry Certificate program consists of 47 credits organized into three semesters.

Semester 1

All of:

| | | |
|-----------|---|-----------|
