DESCRIPTION

The APPD Department offers two ten-month options for adults with a permanent disability or a combination of learning difficulties that hinder scholastic success. The goal of the programs is to help students learn essential employability and academic skills, encourage community engagement, and to identify and plan for further volunteer, employment or educational opportunities. The program starts in September of each year.

Students pay application and program fees. Financial support may be available through the provincial Adult Upgrading Grant (AUG). For more information on AUG, visit kpu.ca/awards/student-loans

CAREER OPPORTUNITIES

Through participation in university classes and work experience opportunities, students learn about the expectations of universities and entry-level employment. Students are prepared for further participation in the workforce, university and community.

CURRICULAR REQUIREMENTS

Work Exploration Option

The Work Exploration option provides information to students about the role and responsibilities of a university student and the basic expectations of competitive entry-level work. Students will participate in classes and have the opportunity to explore a variety of work experiences. Work Exploration students must take APPD 0021 and APPD 0041. The Work Exploration course, APPD 0021, runs from September to April. The Strategies for Employment course, APPD 0041, runs in May and June. **Students must successfully complete both APPD 0021 and APPD 0041 in order to graduate.**

APPD 0021 **Work Exploration:** Students will explore work and continuous learning opportunities. They will increase independence in campus, community and work settings. Students will also develop essential skills through participation in a combination of employment-oriented classroom instruction and monitored work experience.

APPD 0041 **Strategies for Employment:** Successful completion of APPD 0021 (Work Exploration) or APPD 0031 (Job Preparation) is required before taking this course. Students will reflect on and integrate their experiences in APPD 0021 (Work Exploration) in order to complete a portfolio and conduct an independent or supported job search project. They will demonstrate essential skills on a monitored work experience.

Job Preparation Option

The Job Preparation option provides an opportunity for students to enhance their understanding of the role and responsibilities of a university student and the expectations of competitive entry-level work. Students will participate in classes and have the opportunity to explore a variety of work experiences. Job Preparation students must take APPD 0031 and APPD 0041. The Job Preparation course, APPD 0031, runs from September to April. The Strategies for Employment course, APPD 0041, runs in May and June. **Students must successfully complete both APPD 0031 and APPD 0041 in order to graduate.**

APPD 0031 **Job Preparation:** Students will investigate and prepare for future work and academic opportunities. They will identify options for involvement in campus, community and work settings. Students will build essential skills through a combination of employment-oriented classroom instruction and monitored work experience.

APPD 0041 **Strategies for Employment:** Successful completion of APPD 0021 (Work Exploration) or APPD 0031 (Job Preparation) is required before taking this course. Students will reflect on and integrate their experiences in APPD 0031 (Job Preparation) in order to complete a portfolio and conduct an independent or supported job search project. They

will demonstrate essential skills on a monitored work experience.
