English Upgrading (EU)

KPU has supported me with more than my education; it has helped me build my confidence. I had taken gap years and decided to take upgrading courses like ENGQ 1079, 1089, 1099 and WRTG 1100 to rebuild my self-reliance. Their smaller classes have helped me feel more comfortable reaching out for help, and being able to receive one-on-one support from the professors, I was able to succeed. I could not believe I could write grammatically correct paragraphs, let alone essays. These upgrading courses have created a sturdy foundation for university-level courses. KPU has helped me with my education, skills, and self-reliance.
