Instructions for Self-Reported Grades Form

For applicants currently in Grade 12 attending a BC High School

1. Self-Report Current Courses. Please indicate if you are currently taking or have already completed all applicable courses. Only self-report courses you will complete before June 30, 2025. Self-reporting is not required for any subjects not listed on this form.

Note: Self-reported grades must include all courses, **including courses you may have started very recently** (if you are taking courses in a semester format), with an estimated grade. If you do not self-report all courses, your form will be returned to you and the processing of your application will be delayed.

2. Self-Report Current Percentage. Self-reported grades should be based on your current grade or the actual grade from a recent report card. All admission offers based on self-reported grades will be conditional on final grades received, and confirmation of high school graduation. If you have not yet received a grade, please confirm an estimated grade with your teacher. Offers may be rescinded if grades are misrepresented.

3. Release Transcripts to KPU on StudentTranscripts Service (STS). All current BC high school students must release their transcripts to KPU on the StudentTranscripts Service (STS): www.StudentTranscripts.gov.bc.ca. Every course you list on the self-reporting form must show on your Ministry transcripts in July or your offer may be rescinded.

If you are taking courses through Distance Education, an interim transcript should be submitted prior to March 1.

4. Email this form to KPU Admissions between February 1 and March 1, 2026. Do not send your form prior to February 1st, as your submission should include all grading up to and including January 31, 2026. Email your completed form to supreet.wig@kpu.ca. Incomplete forms will not be processed.
