

Get reconnected.

Your Kwantlen Polytechnic University (KPU) network can be an asset to you at any stage in your life or career and the KPU alumni relations office is here to assist you so you can reconnect with your alumni community.

All you need to do is take a leadership role and make a decision to host an alumni event as a first step.

Ideas for events:

- Invite a guest speaker
- Have a networking evening
- Organize a movie night
- Organize a reception, dinner or barbeque
- Have a sporting event
- Bring your group together for an existing KPU alumni event

How KPU can support you:

- Help get the word out for the event
- Promote your event to alumni and the KPU community if required
- Help manage RSVP's through an online registration platform
- Guidance with event planning for venue, location, logistics etc.
- Create a social media sub-group through existing alumni social media channels like LinkedIn for efficient communication amongst the group.
