

Scavenger Hunt

Go around your home, backyard and neighbourhood to find everything on the list! A specific point system has been made based on the difficulty of finding each object/item. Be sure to calculate your score and compare with family and friends to see who is the winner! Remember that if you see something multiple times on the list you can count those points every time! Now let's get exploring!

Bumble bee – 2 points

Woodpecker – 3 points

Hummingbird – 3 points

Take-out chopsticks – 1 point

A purple flower – 1 point

A 4 leaf clover – 3 points

A regular clover – 1 point

A dandelion – 1 point

Something to recycle – 1 point

A robin – 1 point

Expired can of food – 2 points
