

Curriculum

Mandate:

The mandate of the FoH Standing Committee on Curriculum is to support, promote, and coordinate the curriculum approval process for all FoH programs.

Responsibilities:

Within the mandate is the review and approval of course outlines and program changes related to admissions, continuance, graduation and other curricular and program components. New Program Concepts and Full Program Proposals are also reviewed in conjunction with Faculty Council and other Faculty Council Standing Committees such as Academic Planning, Priorities and Budget.

The FoH Curriculum Committee also works with the Senate Standing Committee on Curriculum (S2C2) or (SSCC), Senate and Board of Governor's to ensure that all decisions made within FoH that pertain to curriculum go through the formal approval process.
