

How to Register for the Engineering Program using Block Registration

Students in the Engineering First-Year Program will register for their courses using Block Registration. Block Registration means your classes have already been grouped together in the registration system, and you are able to register for all your required courses with one click.

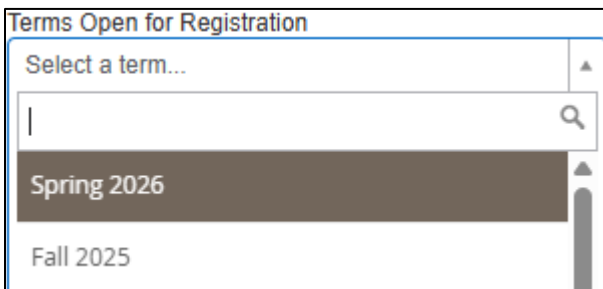

Things to know:

- The Registration App can be accessed via [myKPU](#) by clicking the Register for Classes card.
- To check your registration date and time, select Prepare for Registration from the Registration App landing page

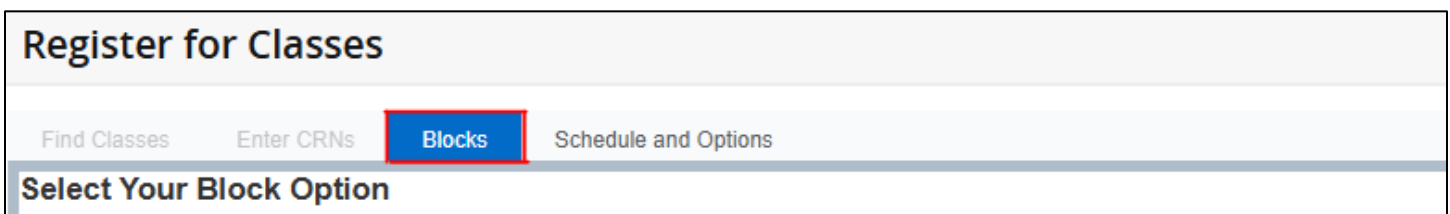

Once your registration date and time **arrives**, it's time to register. From the Registration App landing page, select "Register for Classes".

Select the Spring 2026 term in the drop-down list:

If you have been assigned a block code for the Spring 2026 term, you will see the Blocks tab. If you do not see a Blocks tab, please contact registration@kpu.ca for assistance. Please note that you will only be able to view your block after your registration date and time.

This is where you will choose the Block of courses you would like to register for; there are 3 different options available:

- Engineering-**Richmond** Option 1
- Engineering-**Surrey** Option 1
 - Differences: APSC 1299 (lab) S01, In Person, Friday 10:00am-12:50pm
 - Differences: PHYS 1220 (lab) S03, In Person, Friday 2:00-4:50pm
- Engineering-**Surrey** Option 2
 - Differences: APSC 1299 (lab) S02, In Person, Friday 2:00-4:50pm
 - Differences: PHYS 1220 (lab) S02, In Person, Friday 10:00am-12:50pm

Scroll down to review the times and days for all the sections. When you have decided which schedule you want, click on the radio button beside the Block and click the Submit button. (Note that the times and dates below are just samples).

Congratulations! You are now registered in all the courses you need for the Spring term in the Engineering program. Now that you are registered, **do not remove individual sections**. If you would like to change to a different **Block** of courses, simply choose another Block and click “Submit”.

If you need to drop or withdraw from individual sections, you may do so **on or after December 1, 2025** using the Action drop down menu, but you are strongly encouraged to see an [Academic Advisor](#) prior to making changes. Please also be aware of deadlines for dropping/withdrawing and financial penalties: kpu.ca/registration/dates.
