

# Applications of Mathematics Bachelor of Science

## Honours Program Application

Prior to completing this application, students are requested to read the "Honours" portion of the degree program descriptions in the Calendar. Once familiar with the structure and expectations of the Honours Program, applicants should complete the following checklist:

- Identify a potential senior project supervisor;
- Discuss your prospective senior project with the potential supervisor;
- Fill out the following application;
- Obtain the signature of your prospective supervisor for this application;
- Scan and submit this form and a current unofficial transcript to [science&horticulture@kpu.ca](mailto:science&horticulture@kpu.ca), with "Math Honours Application" in the subject line, by May 1<sup>st</sup>, at least six months prior to the anticipated date of graduation. (Applications will be evaluated in May.)

Date: \_\_\_\_\_ Name: \_\_\_\_\_  
(Print: First Name, Last name)

Student Number: \_\_\_\_\_ Phone Number: \_\_\_\_\_

KPU Email: \_\_\_\_\_ Mailing Address: \_\_\_\_\_

Program Concentration: \_\_\_\_\_ Cumulative GPA to date: \_\_\_\_\_

Please list any required courses you still need to complete, and the semester of anticipated completion.

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

*Note: Honours program students are expected to maintain a Program Grade Point Average (PGPA) of 3.0, with a minimum grade of B in those MATH courses numbered 3000 or higher used to satisfy the degree requirements.*

If you do not meet any of the requirements specified please include an explanation:
