Welcome to KPU's
Virtual Counsellors'
Conference!

We will begin shortly.

KPU.CA

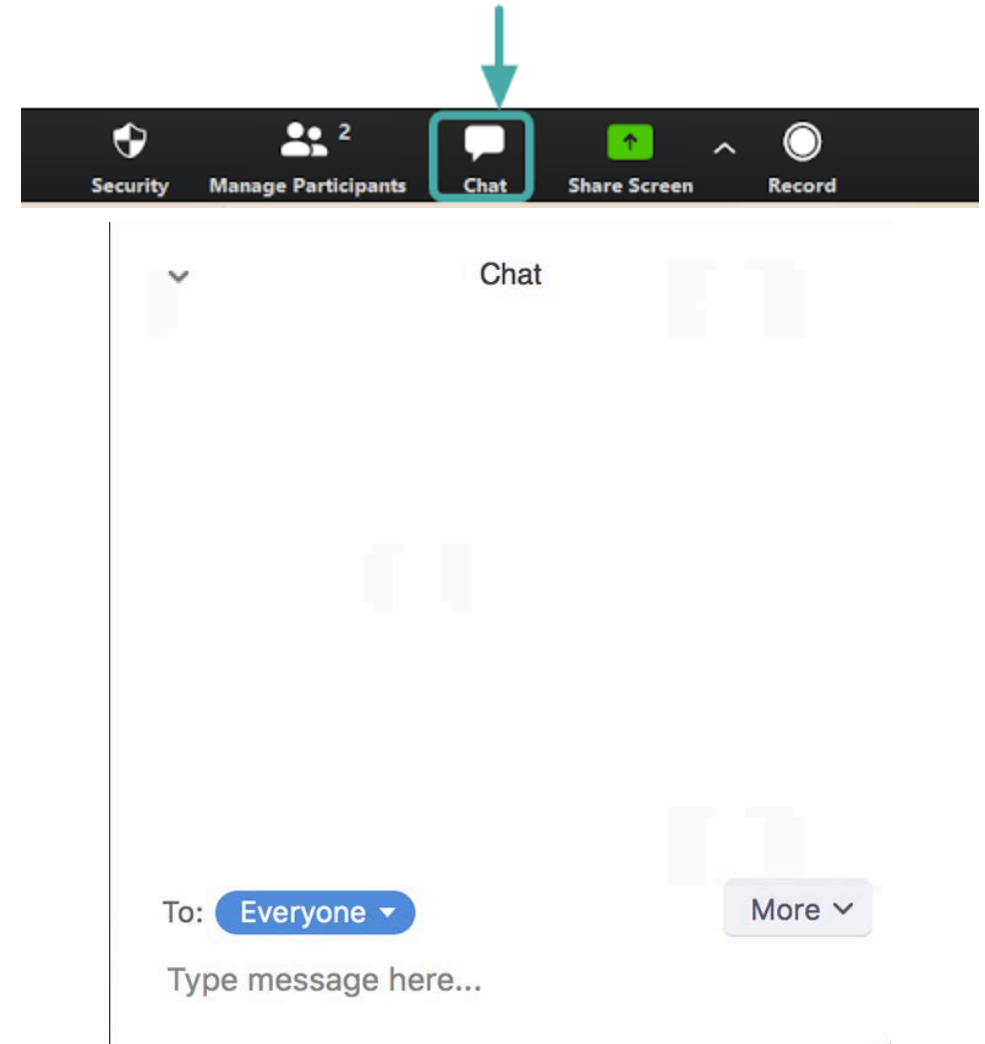

Kwantlen Polytechnic University's five campuses are situated in a region that overlaps with the traditional and ancestral lands of the Coast Salish peoples. We thank them for sharing their land and resources with us in friendship and peace. We honour our name, which the Kwantlen First Nation has graciously shared with us. Kwantlen means "tireless runner" and we strive to always be tireless in our pursuit of knowledge and understanding.

The background of the entire image shows three young women standing outside a building with large glass windows. The woman on the left, with long dark hair and wearing a maroon sweater, is holding a large white book. The woman in the middle has blonde hair and is wearing a light-colored cardigan over a white tank top. The woman on the right has long dark hair and is wearing a white t-shirt. They are all smiling and looking down at the book together. The building behind them has large glass doors and windows reflecting the outdoors.
