Number: 3.

Date of Implementation: September 1, 2026

Approving Jurisdiction: Senate

Administrative Responsibility: Graduate Studies Council

3.1 Minimum Admission Requirements for Master's Program

Disciplinary Faculties may, subject to review by Senate, establish additional admission requirements for their master's degree programs, which will be approved by Senate. The minimum requirement for admission to a master's degree program at KPU is the successful completion of post-secondary education and/or professional experience equivalent to the achievement of a bachelor's degree from a recognized post-secondary institution.
