

KWANTLEN POLYTECHNIC UNIVERSITY
SPRING 2010, 2011 AND 2012 COMPARISON GLOSSARY

Data included in the Spring 2010, 2011 and 2012 comparison was extracted from the Kwantlen Business Intelligence Tool (KBIT) for Enrolment Data.

Spring Terms

Spring 2010: includes course registrations with a course start date between January 1, 2010 and April 30, 2010.

Spring 2011: includes course registrations with a course start date between January 1, 2011 and April 30, 2011.

Spring 2012: includes course registrations with a course start date between January 1, 2012 and April 30, 2012.

Trades courses may start before January and end before April.

All headcounts are **FTE countable registrations** (include stayed registered and withdrawals past stable date)

Faculty headcounts are based on student program 'current' faculty - the faculty the student program belongs to as of Spring 2012

Student Type (New/Continuing): Students are classified as **New** if they do not have any academic history records in the five years prior to their current spring registration.

Student Service Type (Domestic/International): A Student is classified as International if the fee code in the student record is "INTER" (paying international tuition rates) or "EXCH" (exchange).

Student Time Status (FT/PT): Students are classified as full-time (FT) if they are taking 12 or more credits or if they are registered in a trade term (26/27).

Student Age at Term Group: The student's age group at the start of the spring term.

Primary Residence: The following cities were grouped together in these categories:

Abbotsford: includes Chilliwack, Agassiz, Clearbrook, Sardis, Yarrow, Vedder and Cultus Lake

Burnaby: (solo)

Coquitlam: includes Port Coquitlam, Port Moody, Anmore and Belcarra

Delta: includes Ladner and Tsawwassen

Langley: includes Fort Langley and Aldergrove

New Westminster: (solo)

Richmond: (solo)

Ridge Meadows: includes Pitt Meadows and Maple Ridge

Surrey: includes White Rock and Cloverdale

Vancouver: includes East, West and North Vancouver

Other: includes all cities not referenced above

Unspecified: indicates that city of residence is not available
