

How to Use the Amilia App to Register for TALK Courses

Steps to download the Amilia App on Android or iPhone or tablet:

1. Go to the Google Play Store App (application) on your phone or tablet
2. Click search and type in "Amilia" inside the field
3. Look for the logo (as pictured here), click "install", wait for it to install to your device
4. Once installed on your device, click "open", wait for it to open and the App will now be added to your screen

Once the App is downloaded on your phone:

1. Find the Amilia App on your device, click on it and the App will open
2. At the bottom of the page, click "shop"
3. In the search space, type "TALK" or "Third Age Learning at Kwantlen"
4. When it appears, click inside that square
5. Log in page will appear, log in with your username and password that you used on your computer/laptop
6. It may direct you to click on the box "I am a human", click on it and you will be logged in
7. You will then see the TALK registration page, just as you would have on your computer/laptop
8. Click on the current semester box to view activities and proceed with registering for courses

If you do not have an account on Amilia:

1. Click the three bars on the top right-hand corner, a menu will drop, click "sign up"
2. Enter your information as required. Be sure to follow the requirements to create a strong password. Then verify "I am a human" by clicking on the box, then click "create"
3. After your account is created, your device may ask you to save the password, click "save" if you wish to save it, otherwise click "not now", but remember or write down your login name and password
4. Click "shop" and you can now continue shopping, as you would have done on your computer/laptop
5. Once you are finished, click on the same three bars on the right top corner, when the menu drops down, click "logout"
6. If you do not see "logout", click on the box with a person in the top right-hand corner, that is your profile, the drop-down menu will appear again, click "logout" (this step is for administrators)
7. If you have saved your password to your device, the next time you log in, click inside the "email" field, wait, your phone will pop up with the saved login information, click on it, your email will appear with your password as stars, click "log in"
8. Again, click "shop", a page will appear stating "stores you've visited" and "TALK Third Age Learning at Kwantlen" will be in a box, click on it and you will be directed to the TALK registration page
9. Click on the current semester box to view activities and proceed with registering for courses
10. Once you are finished, click on the same three bars on the right top corner, when the menu drops down, click "logout"
