1/5 of BC’s population lives in the KPU Region, which is growing faster than BC as a whole.

The population of the KPU Region is expected to grow at a faster rate than BC as a whole. Within the KPU Region, the Surrey and Langley school districts are projected to have the fastest growing populations.

1 All 2011 to 2016 comparison data from the Statistics Canada Census. The KPU Region is Surrey, White Rock (reported with Surrey), Langley City and DM (reported together), Richmond, and Delta.
