Hello international students of KPU,

We hope you're soaking in the sunshine and enjoying every moment of your summer in beautiful British Columbia! August has arrived, and with it comes the excitement of **BC Day 2025**. This is the perfect time to celebrate the diverse landscapes, vibrant communities, and rich history that make our province so special. For a list of festivals and major events happening over the holiday long weekend and throughout August, be sure to check out [August Events in Vancouver](#).

## Pathways to Permanent Residency

International students at KPU bring valuable skills and experiences that align with Canada's immigration goals. After graduating and gaining relevant work experience, you may be eligible to apply for Permanent Residency through various federal and provincial programs.

While our advisors support immigration matters pertaining to temporary residents, we encourage you to explore PR options directly through the **IRCC website**. Visit our [Pathways to Permanent Residency for International Students](#) webpage to explore helpful resources and get started.

## Student Enrolment Services (SES)

Whether you're registering for classes, paying fees, or updating your personal information, the SES team is here to help. Support is available in person, by phone, email, or virtually to fit your needs.

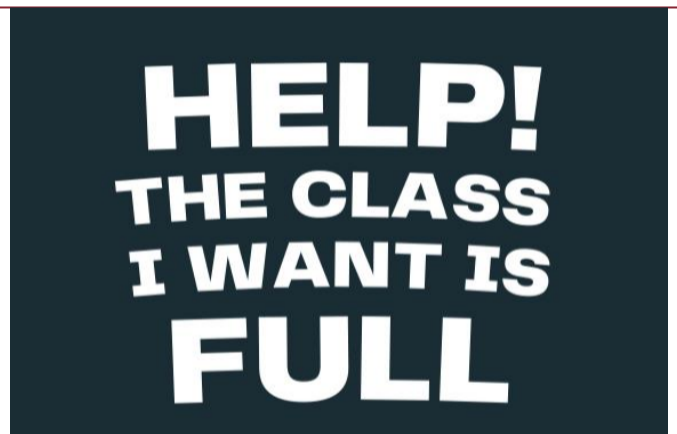

Visit the [SES website](#) and explore the **SES Short Videos** for easy, on-demand guidance on common enrolment topics.

For one-on-one assistance, you can also **book a 15-minute Zoom chat** with an SES Officer—perfect for walkthroughs on transcripts, payments, or graduation steps.

## Can't Get into a Class? Here's What to do

If the course you need for **Fall 2025** is full, don't panic! Many students adjust their schedules during the registration period, and new sections may open to meet demand.

In the meantime, be sure to use [Waitlisting](#)—a feature that allows you to hold a spot in line in case a space becomes available. It's one of the best ways to stay on track with your course plan. To learn how Waitlisting works, visit the **KPU website**, watch the video [Classes Are Full – What Should I Do?](#), or check out our easy-to-follow [handout](#) for full details.

## PGWP Eligible Programs at KPU

We understand that choosing the right program is a key part of planning your education in Canada. One crucial step is to ensure your program meets the eligibility criteria for the **Post-Graduation Work Permit (PGWP)**—a pathway that may allow you to gain valuable Canadian work experience after completing your studies.

To support your planning, KPU has compiled a list of programs that align with the most recent **IRCC-approved CIP codes**. Please refer to the [KPU webpage for the most up-to-date list](#), last updated on July 9, 2025.
