VIEWBOOK 2020-2021

Kwantlen Polytechnic University's five campuses are situated in a region that overlaps with the traditional and ancestral lands of the Coast Salish people. We thank them for sharing their land and resources with us in friendship and peace. We honour our name, which the Kwantlen First Nation has graciously shared with us. Kwantlen means "tireless runner" and we strive to always be tireless in our pursuit of knowledge and understanding.
