BYLAW NO. 1695/2015

BEING A BYLAW TO REGULATE AND CONTROL THE USE AND DEVELOPMENT OF LAND AND BUILDINGS IN THE TOWN OF SYLVAN LAKE

WHEREAS the *Municipal Government Act*, RSA 2000, Chapter M-26, and amendments thereto, authorize the Council of a Municipality to enact a Land Use Bylaw to prohibit or regulate and control the use and development of land and buildings within the Municipality.

NOW THEREFORE the Council of the Town of Sylvan Lake, in the Province of Alberta, enacts as follows:

PART 1 PURPOSE AND APPLICATION OF THE LAND USE BYLAW

1.1 Short Title

1.1.1 This Bylaw may be cited as "The Town of Sylvan Lake Land Use Bylaw".

1.2 Purpose

1.2.1 The purpose of this Bylaw is to, amongst other things,

- (a) divide the municipality into districts;
- (b) prescribe and regulate the use for each district;
- (c) establish the office of the Development Officer;
- (d) establish a method of making decisions on applications for development permits including the issuing of development permits;
- (e) provide the manner in which notice of the issuance of a development permit is to be given;
- (f) provide a means by which the statutory plans may be implemented;

1.3 Effective Date

1.3.1 This Bylaw comes into force and takes effect upon the date of its third reading.

1.3.2 The previous Town of Sylvan Lake Land Use Bylaw 1555/2010 and amendments thereto are hereby repealed and cease to have effect on the day this Bylaw comes into force.

1.4 Application

1.4.1 Except as permitted in this Bylaw, no person shall commence any development within the Town, unless a development permit has been issued for that development.

-
- 1.4.2 The provisions of this Bylaw apply to all lands and buildings within the boundaries of the Town of Sylvan Lake, pursuant to the Municipal Government Act.
 - 1.4.3 The Town is committed to enforcement of the Bylaw to protect property and rights of all citizens of the Town and it is the responsibility of individual citizens to consult the Bylaw to ensure their property and developments are in compliance with this Bylaw.

1.5 Compliance with Other Legislation

- 1.5.1 Compliance with the requirements of this Land Use Bylaw does not exempt any person from:
 - (a) obtaining a development permit as required by this Bylaw or to obtain any other permit, license, or other authorization required by this or any other Bylaw;
 - (b) from the requirements of any statutory plan;
 - (c) the requirements of any Federal, Provincial or Municipal legislation or regulations; and,
 - (d) complying with any easement, covenant, agreement or contract affecting the development or lands.

1.6 Establishment of Forms

- 1.6.1 For the purpose of administering this Land Use Bylaw, the Development Officer shall prepare such forms and notices as he or she may deem necessary.
- 1.6.2 Any such forms or notices are deemed to have the full force and effect of this Land Use Bylaw in the execution of the purpose for which they were designed, authorized and issued.

1.7 Establishment of Supplementary Regulations

- 1.7.1 Supplementary Regulations as set forth in Part 7 hereto, are hereby adopted by reference to be part of this Land Use Bylaw, and to be amended in the same manner as any other part of this Land Use Bylaw.

1.8 Establishment of Land Use District Regulations

- 1.8.1 Land Use District Regulations as set forth in Part 9 hereto, are hereby adopted by reference to be part of this Land Use Bylaw, and to be amended in the same manner as any other part of this Land Use Bylaw.

1.9 Establishment of Districts

1.9.1 For the purpose of this Land Use Bylaw, the Town of Sylvan Lake is divided into the following Districts:

AG	Agriculture District

1.9.2 The boundaries of the District listed in section 1.9.1 are as delineated on the Land Use District Map being Part 12 hereto. All roads, water courses and lakes are excluded from the Land Use Districts.

1.10 Sections Found Invalid

1.10.1 If one or more provisions of this Land Use Bylaw are for any reason declared to be invalid, it is intended that all remaining provisions are to remain in full force and effect.

PART 2 INTERPRETING THE LAND USE BYLAW

2.1 Rules of Interpretation

2.1.1 In this bylaw;

- (a) the words “shall” and “required” mean the provision is mandatory;
- (b) words used in the present tense include the other tenses and derivative forms; and
- (c) words used in the singular shall also mean the plural;

2.1.2 Where the location of District boundaries on the Land Use District Map is not clearly understood, the following rules shall apply;

- (a) a boundary shown as approximately following a parcel boundary shall be deemed to follow the parcel boundary;
- (b) a boundary which does not follow a parcel boundary shall be located by measurement of the Land Use District Map; and
- (c) a boundary location which cannot be satisfactorily resolved shall be referred to Council for an official interpretation.

2.1.3 Unless otherwise specified, all measurements in this Bylaw are in metric, and fractions or decimals may be rounded to the nearest whole number.

PART 3 THE DEVELOPMENT AUTHORITY

3.1 The Development Officer

- 3.1.1 The office of the Development Officer is hereby established and such office shall be filled by a person or persons to be appointed by resolution delegated by Council;
- 3.1.2 The Development Officer shall: perform such duties that are specified in this Land Use Bylaw, including among other things,
- (a) keep and maintain for the inspection of the public, a copy of this Land Use Bylaw and all amendments thereto;
 - (b) keep a register of all applications for development, including the decisions thereon and the reasons therefore;
 - (c) receive, ensure the completeness of, and process all applications for development permits and applications to amend this Land Use Bylaw;
 - (d) review each development permit application to ascertain its appropriate use definition and, if necessary, require the applicant to apply for a permit for a different use definition or make application to amend this Land Use Bylaw;
 - (e) issue decisions and state terms and conditions on Permitted Use development permit applications;
 - (f) refer to the Municipal Planning Commission for its consideration and decision all development permit applications for discretionary uses not listed in section 3.1.3.
 - (g) refer any application to an adjacent municipality or any other agency or person which in their opinion may provide relevant comments or advice respecting the application;
 - (h) refer all development permit applications within a Direct Control District to Council, except for those districts where the Development Authority has been delegated to the Municipal Planning Commission, or those uses that have been delegated to the Development Officer;
 - (i) issue all Orders, where appointed, with regard to contravention of the Act, or implementing regulations, Bylaws or permits;
 - (j) sign and issue all valid development permits, Certificates of Compliance, Notices of Decision, and Notices; and

-
- (k) collect fees as prescribed by resolution of Council.

3.1.3 The Development Officer shall consider and may decide upon, or refer to the Municipal Planning Commission or Council, development permit applications for the following:

- (a) signs, including those within a Direct Control District, provided that the proposed sign complies with all regulations of this Bylaw;
- (b) development applications for permitted uses requiring a relaxation of less than or equal to 10%, subject to section 3.3;
- (c) a change in use in a direct control district, provided that the use complies with all regulations of this Bylaw and any applicable urban design guidelines;

- (b) a Visual Impact Assessment prepared by a qualified professional that assesses the impact of new development on view corridors and provides mitigation steps;
- (c) a shadow study, completed by a qualified professional, showing the impact of the proposed development on adjacent properties;
- (d) a geotechnical study prepared by a qualified engineer, if in the opinion of the Development Authority, the site is potentially hazardous or unstable;
- (e) an Environment Impact Assessment prepared by a qualified professional if the proposed development may, in the opinion of the Development Authority, result in potentially significant environmental effects;
- (f) a waterfront construction management plan, for developments within 300m (1000 ft.) of the waterfront, that outlines construction management practices that prevent erosion, sedimentation and flow of nutrients into the lake; and,
- (g) any other information or plans that the Development Officer or the Municipal Planning Commission may consider necessary to properly evaluate the proposed development.

4.3.3 In addition to the requirements in 4.3.1 and 4.3.2, development within the Neighbourhood Redevelopment Overlay District shall also be required to provide:

- a) Colour photographs of any existing development, including at least two existing developments directly adjacent on either side of the development (if applicable), across the street and across the rear lane or rear property boundary;
- b) For all discretionary use development resulting in the creation of three (3) or more dwelling units on a single parcel:
 - (i) A block plan showing the outline of one lot and existing structures on either side of the proposed development, indicating the setbacks from all property lines;
 - (ii) An elevation of one lot and existing structures on either side of the proposed development, including building heights; and
 - (iii) A statement of garbage collection provisions (3 or more dwelling units to be serviced by a communal garbage receptacle), including a

statement from a suitable waste management company confirming ability to service.

- c) A landscape plan, in accordance with section 7.24.28, for all discretionary use development resulting in the creation of four (4) or more dwelling units.

(Bylaw 1728/2017)

- 4.3.4 Where the information required for a development permit application, as set out above, has not been fully provided, or in the opinion of the Development Officer, the quality of the material supplied is inadequate to properly evaluate the proposed development, the application shall be deemed incomplete until all the required details have been submitted to the Development Officer.
- 4.3.5 The Development Authority may deal with an application and make a decision without all of the required information, if it is the opinion of the Development Authority that a decision on the application can be properly made without such information.
- 4.3.6 Each application for a development permit or conformity of a real property report shall be accompanied by a non-returnable processing fee, the amount of which shall be determined by resolution of Council.

4.4 Development Permit Referrals

- 4.4.1 The Development Officer may refer a development permit application to any internal department, external agency, or adjacent municipality for comments or advice.
- 4.4.2 The Development Officer may refer a development permit application for a discretionary use or an application for a variance or an application for a development permit in a Direct Control District to landowners within 50 m (164 ft.) of the subject property, indicating the location and nature of the proposed development, and ask for comments.
- 4.4.3 The Development Officer shall refer all development which would result in permanent overnight accommodation, including dwellings, or public facilities to the Alberta Energy and Utilities Board, if any of the land which is the subject of the application is within 1.5km (0.93 miles) of a sour gas facility and the proposed development is not, in the opinion of the Development Officer, an infill development.
- 4.4.4 If no response has been received by the date noted on the referral the Development application will be dealt with by the Development Authority as if there are no objections to the development.

4.5 Decision Process for Development Permits

- 4.5.1 In making a decision on a development permit application for a Permitted Use, the Development Authority:
- (a) shall approve, with or without conditions, the application if the proposed development conforms with this Bylaw, the Municipal Government Act, and any statutory plans; or,
 - (b) shall refuse the application if the proposed development does not conform to this Bylaw, giving reasons for such refusal; or,
 - (c) may approve the application subject to conditions to ensure that the application conforms to the requirements of the Land Use Bylaw, the Municipal Government Act and the Subdivision and Development Regulation and statutory plans.
- 4.5.2 In making a decision on a development permit application for a Discretionary Use, the Development Authority:
- (a) may approve the application, with or without conditions, if it meets the requirements of this Bylaw, the Municipal Government Act, and any statutory plans; or,
 - (b) refuse an application giving reasons for its refusal.
- 4.5.3 The Development Authority may approve an application for a development permit or subdivision approval, if the proposed development does not comply with this Land Use Bylaw or is a non-conforming building, if in the opinion of the Development Authority.
- (a) the proposed development or subdivision would not:
 - (i) unduly interfere with the amenities of the neighbourhood, or
 - (ii) materially interfere with or affect the use, enjoyment or value of neighbouring parcels of land; and
 - (b) the proposed development conforms with the use prescribed for that land or building in the Land Use Bylaw, and
 - (c) the proposed subdivision conforms to the use prescribed for that land in the Land Use Bylaw.
- 4.5.4 The Development Authority may issue a development permit with any condition deemed necessary to ensure that the development complies with the Municipal Government Act, this Bylaw and any or all statutory plans.

-
- 4.5.5 Where the Council is the Development Authority, it may approve, with or without conditions, or may refuse an application for a development permit in a Direct Control District.
 - 4.5.6 The Council's decision upon an application for a development permit in a Direct Control District shall be final and binding on all parties.
 - 4.5.7 An application for a development permit may, at the option of the applicant, be deemed to be refused when a decision on the application is not made by the Development Authority within 40 days of the receipt of the completed application unless a time extension agreement is signed by the applicant.
 - 4.5.8 In the case where an application for a development permit has been refused pursuant to this Part or ultimately after appeal, the submission of another application for a permit on the same parcel and for the same or similar use of land by the same or any other applicant may not be accepted by the Development Officer for at least 6 months after the date of the final decision unless in the opinion of the Development Officer the reasons for refusal have been adequately addressed or the circumstances of the application have changed significantly.

4.6 Attaching Conditions to a Development Permit

- 4.6.1 In making a decision on a Permitted or Discretionary Use, the Development Authority may impose conditions it considers appropriate, either on a permanent basis or for a limited time period, in order to approve a development permit application.
- 4.6.2 The Development Authority may impose any conditions it deems appropriate to ensure compatibility with the amenities of the neighbourhood and the use, enjoyment and value of neighbouring parcels of land, including but not limited to the following:
 - (a) limiting the time of operation including hours of the day, days of the week, and parts of the year;
 - (b) limiting the number of patrons;
 - (c) requiring attenuation or mitigation of noise, odour, or any other nuisances that may be generated by the proposed development;
 - (d) regarding the size, location, character, and appearance of buildings or structures;
 - (e) regarding site grading, landscaping, and natural vegetation; environmental contamination and reclamation;
 - (f) addressing safety concerns regarding traffic, pedestrians, or protection of the site from other developments or to protect other developments from the site;
 - (g) regarding parking;
 - (h) requiring consolidation of parcels;

-
- (i) establishing a period of time for which a development permit is valid;
 - (j) the timing of the completion of any part of the proposed development;
 - 4.6.3 Where this Bylaw requires a minimum standard, the Development Authority may impose a condition on a discretionary development permit requiring a higher standard where it is deemed appropriate.
 - 4.6.4 The Development Authority may impose conditions necessary to ensure satisfactory arrangements for the supply of water, electric power, sanitary sewer, storm sewer, natural gas, cable, vehicular or pedestrian access and circulation, parking, loading, landscaping or drainage, or any of them, including payment of the costs of installation or construction of any such utility or facility by the applicant.
 - 4.6.5 The Development Authority may impose a condition of development permit that requires an irrevocable letter of credit, up to a value equal to the estimated costs of the proposed landscaping, to ensure that the required landscaping is carried out with reasonable diligence. Landscaping securities shall be collected in accordance with Section 7.24.
 - 4.6.6 As a condition of development approval, the Development Authority may require the developer to enter into a development agreement with the municipality to do any or all of the following:
 - (a) to construct or pay for the construction or upgrading of:
 - (i) any roads required to give access to the development;
 - (ii) a pedestrian walkway system to serve the development or to provide pedestrian access to adjacent developments, or both;
 - (iii) off-street or other parking facilities; and,
 - (iv) loading and unloading facilities;
 - (b) to install or pay for the installation of, any public utilities that are necessary to serve the development;
 - (c) to pay an off-site levy or redevelopment levy;
 - (d) to provide an irrevocable letter of credit, or other form of security acceptable to the Development Authority, to ensure compliance with the terms of the agreement and the conditions of the development permit;
 - (e) to repair or reinstate, or to pay for the repair or reinstatement, any street furniture, curbing, sidewalk, boulevard landscaping and tree planting which may be damaged, destroyed, or otherwise harmed by development or building operations upon the site; and/or,
 - (f) to attend to all other matters the Development Authority considers appropriate.
 - 4.6.7 To ensure compliance with a development agreement, the Town may register a caveat pursuant to the provisions of the *Land Titles Act* and the *Municipal Government Act* against the Certificate of Title for the property being developed. This caveat shall be discharged once the agreement has been complied with.

-
- 4.6.8 The developer shall be responsible for all costs associated with the preparation of a development agreement, as well as the costs associated with registering the caveat at Land Titles and discharging the caveat when all conditions have been met.

4.7 Notification of a Decision on a Development Permit

- 4.7.1 A decision of the Development Authority on an application for a development permit shall be given in writing sent to the applicant by ordinary mail. All applications which have been refused shall contain reasons for such refusal.
- 4.7.2 Where a decision has been made on an application for a Permitted Use, the Development Officer shall post a notice of the decision on the Town's website.
- 4.7.3 Where a decision has been made on an application for a Discretionary Use, the Development Officer shall:
- (a) mail a notice of the decision to all persons whose use, enjoyment or value of property may, in the opinion of the Development Officer/Municipal Planning Commission, be affected; and/or
 - (b) mail a notice of the decision to any person who submitted comments either for or against the development at the time of the referrals; and/or
 - (c) post a notice of the decision on the Town's website; and/or
 - (d) publish in a newspaper circulating in the municipality a notice of the decision.

4.8 Effective Date and Validity of a Development Permit

- 4.8.1 When a development permit has been approved by the Development Authority it shall not be issued unless and until:
- (a) any conditions of approval, except those of a continuing nature, have been met; and
 - (b) the time period for an appeal to the Subdivision and Development Appeal Board has expired or, if an appeal has been filed, a decision has been rendered by the Subdivision and Development Appeal Board to confirm the issuance of the development permit subject to any variations directed by the Subdivision and Development Appeal Board.
- 4.8.2 If the development authorized by a permit is not commenced within 12 months from the date of its decision, or the date of decision of the Subdivision and Development Appeal Board upon appeal, nor carried out with reasonable diligence as determined by the Development Authority, the permit ceases to be effective, unless an extension to this period, being no longer than an additional 12 months, has previously been granted by the Development Authority.

-
- 4.8.3 Where an application for a development permit has been refused another application for a permit on the same parcel for the same or similar use of land may not be submitted by the same or any other applicant for 6 months after the date of the previous refusal unless in the opinion of the Development Officer the reasons for refusal have been adequately addressed or the circumstances of the application have changed significantly.

4.9 Failure to Complete Development

- 4.9.1 Once a development is initiated in relationship to an approved development permit, the permit remains valid until the work is completed. However, if a development is not completed to a standard acceptable to the Development Officer within 2 years of the issuance of the permit, or any extension thereof, the Development Officer may direct that the site be returned to its original condition or a state acceptable to the Development Officer.

4.10 Cancelling, Suspension or Revocation

- 4.10.1 The Development Authority may cancel, suspend or revoke a development permit if:
- (a) There is a contravention of any condition under which such permit was issued;
 - (b) The permit was issued in error; or
 - (c) The permit was issued on the basis of incorrect information.

4.11 Appealing a Decision of the Development Authority

- 4.11.1 An appeal may be made to the Subdivision and Development Appeal Board (SDAB) by:
- (a) the applicant, if the Development Authority:
 - (i) Refuses or fails to issue a development permit;
 - (ii) Issues a development permit with conditions;
 - (iii) Fails to make a decision with respect to an application within 40 days of receipt of a completed application or within such longer period as the applicant may have approved in writing; or
 - (iv) Issues an order under section 645 of the Municipal Government Act.
 - (b) Or any person claiming to be affected by an order, decision or development permit made or issued by a Development Authority.

-
- 4.11.2 No appeal may be made in respect of the issuance of a development permit for a permitted use unless the provisions of this Bylaw were relaxed, varied, or misinterpreted.
- 4.11.3 An appeal shall be commenced by filing written notice of the appeal, stating reasons for such appeal and accompanied by the appeal fee as established in the fee schedule, with the Secretary of the SDAB within 14 days after:
- (a) In the case of an appeal made by a person referred to in section 4.11.1 (a):
 - (i) The date on which the person receives notice of the order or decision or the issuance of the development permit, or
 - (ii) If no decision is made with respect to the application for a development permit within the 40 day period or within any extension of this time limit referred to under section 4.11.1 (a) (iii), the date the period or extension expires;
 - (b) In the case of an appeal made by a person referred to in section 4.11.1 (b), after the date on which the notice of the issuance of the permit was received or posted.
- 4.11.4 The date of receipt of a decision or order is deemed to be 5 days from the date that the decision or order is mailed.
- 4.11.5 A decision on a development permit application within a Direct Control District may be appealed only if the Development Authority did not follow the directions of Council. If the Board finds that the Development Authority did not follow Council's directions, it may, in accordance with Council's directions, substitute its decision for that of the Development Authority. Where Council is the Development Authority no right of appeal exists.
- 4.11.6 The SDAB shall hold an appeal hearing within 30 days of the receipt of a notice of appeal.
- 4.11.7 The procedures followed for an appeal hearing are governed by the Municipal Government Act.
- 4.11.8 The decision of the SDAB is final and binding except on a question of jurisdiction or law, in which case the appellant may appeal to the Court of Appeal as provided in the Municipal Government Act.

PART 5 AMENDING THE LAND USE BYLAW

5.1 Initiating an Amendment

- 5.1.1 The Council may, on its own initiative, amend this Land Use Bylaw.
- 5.1.2 A person may request to amend this Land Use Bylaw by application in writing to the Development Officer. The application shall include:
- (a) a statement of the specific amendment requested;
 - (b) reasons for the application;
 - (c) if the application is for a change of District, the legal description of the lands, or a plan showing the location and dimensions of the lands;
 - (d) the applicant's interest in the lands; and
 - (e) an application fee, the amount of which shall be determined from time to time by resolution of Council.
 - (f) If the amendment is for a re-designation of land, the Development Officer may require:
 - (i) an outline plan for the area to be re-designated to the level of detail specified by the Development Officer; and
 - (ii) payment of a fee to the Town equal to the costs incurred by the Town to review the proposed re-designation and related outline plan, or if necessary to prepare an outline plan.

5.2 Processing an Amendment

- 5.2.1 Upon receipt of an application for amendment to this Land Use Bylaw, the Development Officer shall initiate or undertake an investigation and analysis of the potential impacts of development resulting from or allowed as a result of the proposed amendment. The analysis shall be based on the full development potential of the proposed amendment and not on the merits of any particular development proposal. The analysis shall, among other things consider the following impact criteria:
- (a) relationship to and compliance with approved statutory plans and Council policies;
 - (b) relationship to and compliance with statutory plans or outline plans in preparation;
 - (c) compatibility with surrounding development in terms of land use function and scale of development;

-
- (d) traffic impacts;
 - (e) relationship to, or impacts on, services such as water and sewage systems, and other public utilities and facilities such as recreation facilities and schools;
 - (f) relationship to municipal land, right-of-way or easement requirements;
 - (g) effect on stability, retention and rehabilitation of desirable existing uses, buildings, or both in the area;
 - (h) necessity and appropriateness of the proposed amendment in view of the stated intentions of the applicant; and
 - (i) relationship to the documented concerns and opinions of area residents regarding development implications.
- 5.2.2 The Development Officer shall determine when the application will be placed before the Council and shall issue not less than 5 days notice to the applicant advising that they may appear before the Council at that time and speak to the application. An application for an amendment shall be placed before the Council within 60 days of its receipt by the Development Officer.
- 5.2.3 The Council, in considering an application for an amendment to this Land Use Bylaw, may:
- (a) refuse the application; or
 - (b) refer the application for further information; or
 - (c) pass first reading to a bylaw to amend this Land Use Bylaw, with or without conditions or amendments; or
 - (d) defeat first reading of a bylaw to amend this Land Use Bylaw; or
 - (e) pass first reading of an alternative amendment to this Land Use Bylaw, with or / without conditions.
- 5.2.4 Following first reading of an amending bylaw, the Council shall:
- (a) establish the date, time and place for a public hearing on the proposed bylaw;
 - (b) outline the procedure to be followed by anyone wishing to be heard at the public hearing; and
 - (c) outline the procedure by which the public hearing will be conducted.
- 5.2.5 Following first reading of an amending bylaw, the Development Officer must give notice of the public hearing by:
- (a) publishing notice at least once a week for 2 consecutive weeks in at least one newspaper or other publication circulating in the area to which the proposed bylaw relates; and
 - (b) if the amending bylaw proposes to change the district designation of a parcel of land, mailing or delivering notice to every owner of adjacent land in and around the parcel or parcels to which the proposed bylaw relates.

5.2.6 A notice must contain:

- (a) a statement of the general purpose of the proposed bylaw and public hearing;
- (b) the address where a copy of the proposed bylaw and any documents relating to it or the public hearing may be inspected;
- (c) the date, place and time where the public hearing will be held.

5.2.7 In the case of an amendment to change the district designation of a parcel of land, the Development Officer must, in addition to the requirements of section 5.2.5 and 5.2.6:

- (a) include in the notice
 - (i) the municipal address, if any, and the legal address of the parcel of land, and
 - (ii) a map showing the location of the parcel of land,
- (b) give written notice containing the information described in section 5.2.7 and section 5.2.6 to the assessed owner of that parcel of land at the name and address shown in the assessment roll of the municipality, and
- (c) give written notice containing the information described in (a) above and section 5.2.6 to every owner of land located within 50 metres (164 ft.) of the parcel or parcels to which the proposed bylaw relates the name and address shown for each owner of the assessment roll of the municipality.

5.2.8 If the land referred to in subsection 5.2.7 (c) is in Red Deer County, the Summer Village of Jarvis Bay or the Summer Village of Norglenwold, the written notice must be given to the County or Summer Village, as the case may be, and to each owner of land located within 50 metres of the parcel or parcels to which the proposed bylaw relates at the name and address shown for each owner on the tax roll of the County or the Summer Village.

5.2.9 Notwithstanding section 5.2.4 the Land Use Bylaw may be amended without giving notice or holding a public hearing if the amendment corrects clerical, technical, grammatical, or typographical errors and does not materially affect the Land Use Bylaw in principle or substance.

5.2.10 In the public hearing, the Council:

- (a) must hear any person, group of persons, or person representing them, who claims to be affected by the proposed bylaw and who has complied with the procedures outlined by the Council; and

-
- (b) may hear any other person who wishes to make representations and whom the Council agrees to hear.
- 5.2.11 After considering the representations made to it about the proposed bylaw at the public hearing and after considering the Town's statutory plans and any other matter it considers appropriate, the Council may:
- (a) refer it for further information or comments;
 - (b) pass the bylaw;
 - (c) make any amendment to the bylaw it considers necessary and proceed to pass it without further advertisement or hearing; or
 - (d) defeat the bylaw.
- 5.2.12 Prior to third reading of the proposed bylaw, Council may require the applicant to apply for a development permit and negotiate a development agreement in respect of the proposal which initiated the application for amendment.
- 5.2.13 The Development Officer shall not accept an application of an amendment which is identical or similar to an application which was refused by the Council, for a period of 6 months after the date of the refusal unless, in the opinion of the Development Officer, the reasons for refusal have been adequately addressed or the circumstances of the application have changed significantly.

PART 6 CONTRAVENTION AND ENFORCEMENT

6.1 Contravention

6.1.1 Where the Development Authority finds that a use is not in accordance with the *Municipal Government Act*, this Land Use Bylaw or the Subdivision and Development Regulations, a development permit or a subdivision approval, the Development Authority may, by notice in writing, order the registered owner, the person in possession of the land or buildings, the person responsible for the contravention, or all or any of them to:

- (a) stop the development or use of the land or buildings in whole or in part as directed by the notice;
- (b) demolish, remove or replace the development, or
- (c) take such other measures specified in the notice so that the development or use of the land or buildings is in accordance with the *Municipal Government Act*, this Land Use Bylaw, the Subdivision and Development Regulations, a development permit or a subdivision approval, as the case may be;

within the time specified by the notice.

6.1.2 If a person fails or refuses to comply with an order directed to them under section 6.1.1 or an order of the Subdivision and Development Appeal Board upon appeal in accordance with the *Municipal Government Act*, a designated officer may, in accordance with the *Municipal Government Act*, enter upon the land or building and take such action as is necessary to carry out the order.

6.1.3 When a designated officer carries out an order, the Council shall cause the costs and expenses incurred in carrying out the order to be placed on the tax roll as an additional tax against the property concerned and that amount shall be collected in the same manner as taxes on land.

6.1.4 The Town may register a caveat with respect to an Order against the Certificate of Title for the subject property.

6.2 Right of Entry

6.2.1 For the purpose of entering and inspecting land or structures as described in the *Municipal Government Act*, the Development Officer and any other persons appointed by Council, are hereby declared to be a "designated officer".

6.3 Offences and Penalties

6.3.1 Any person who:

- (a) Contravenes or fails to comply with any provision of this Bylaw, the Municipal Government Act or the Subdivision and Development Regulation;
- (b) Uses land in a manner contrary to the provisions of this Bylaw or any subdivision or development permit for such land;
- (c) Contravenes or fails to comply with any development permit or subdivision approval, or conditions forming part thereof;
- (d) Contravenes or fails to comply with a decision of the Subdivision and Development Appeal Board;
- (e) Obstructs or otherwise hinders in any manner any person in the exercise or performance of that person's powers authorized under this or any other Bylaw or enactment; or
- (f) Contravenes or fails to comply with a stop order issued pursuant to section 6.1 of this Bylaw;

is guilty of an offence and is liable on summary conviction to a fine.

6.3.2 A person who contravenes or fails to comply with any provision of this Bylaw is guilty of an offence and is liable to a penalty for a first and each subsequent offence in the amount specified in Part 10 of this Bylaw, or in the case of an offence for which there is no specified penalty in Part 10 to a fine of not less than \$250.00 and not more than \$10,000.00 or to imprisonment for not more than one year, or to both fine and imprisonment.

6.3.3 If a person is found guilty of an offence under the Municipal Government Act, the Subdivision and Development Regulation or this Land Use Bylaw, the court may, in addition to any other penalty imposed, order the person to comply with the Act or this Land Use Bylaw or a permit issued under this Bylaw, or a condition of any of them.

6.3.4 Any Designated Officer who has reasonable and probable grounds to believe that any person has contravened any provision of this Bylaw, may issue and serve:

- (a) A municipal tag allowing payment of the specified penalty to the Town, which payment will be accepted by the Town in lieu of prosecution for the offence; or
- (b) A violation ticket, allowing a voluntary payment of the specified penalty to the Provincial Court, or, requiring a person to appear in court without the alternative of making a voluntary payment;

and the recording of the payment of a specified penalty made to the Town pursuant to a municipal tag or the Provincial Court of Alberta pursuant to a

violation ticket shall constitute an acceptance of a guilty plea and conviction for the offence.

- 6.3.5 Where a contravention or offence is of a continuing nature, further municipal tags may be issued by the Designated Officer for each day the offence continues.
- 6.3.6 Service of a municipal tag shall be sufficient if it is:
- (a) personally served; or
 - (b) sent and served by regular mail to the person's last known mailing address.
- 6.3.7 If payment of a municipal tag is not made within the time specified, a Designated Officer may issue a violation ticket requiring the alleged offender to make a voluntary payment or appear in court on the date indicated on the violation ticket.

(Bylaw 1736/2017)

6.4 Enforcement of Signage Regulations

- 6.4.1 A development officer or a designated officer may by notice in writing delivered to the property owner and, if their name and address are included on the permit application, the sign owner:
- (a) direct the owner to correct the condition of any sign within a reasonable time frame not exceeding 30 days, of receipt of the notice where, in the opinion of the designated officer, that condition constitutes a violation of this Bylaw or any permit hereunder;
 - (b) order the owner to stop work on a sign if it is proceeding in contravention of this Bylaw or if the sign is deemed to be in an unsafe condition;
 - (c) revoke or refuse to issue a permit where, in the opinion of the development officer, the work done or proposed fails to meet the requirements of this or any other Town Bylaw;
 - (d) direct the removal within a reasonable time frame, not exceeding 30 days, of such notice of any sign placed in violation of this or any other bylaw;
 - (e) where a sign by reason of accident, damage by fire or any other cause is in a dangerous or unsafe condition, or is liable to cause injury to any person or property, order the owner to cause it to be repaired so that it is safe to the satisfaction of the development officer, or to remove the sign; and
 - (f) order the owner to paint, repair, alter, maintain or remove any sign which is in bad repair, dilapidated or has been abandoned, such work to be completed within a reasonable time frame, not exceeding 30 days, of the receipt of such notice.
- 6.4.2 A designated officer who believes on reasonable grounds that a sign is not authorized pursuant to this Bylaw may:

(Bylaw 1736/2017)

(a) in the case of a sign for which no permit has been issued, without prior notice to any person perform any or all of the following actions:

(i) enter onto the property in order to inspect and/or remove and impound the sign;

(ii) issue a municipal tag or violation ticket; (Bylaw 1736/2017)

(iii) authorize the entry onto the property by other parties deemed necessary in order to remove an offending sign.

6.4.3 Notwithstanding section 6.4.2 (a), no sign which is located in or upon or which is affixed to a building shall be removed without either the consent of the owner of the building, the consent of the owner of the sign or a court order.

6.4.4 Following the impounding and removal of a sign, written notice shall be sent to the owner of the sign (if known) and to the owner of the premises from which the sign is removed, advising of the removal. The owner of the sign may secure its release from impound upon payment in full of all applicable impounding and storage charges.

6.4.5 An impounded sign which has not been redeemed within 30 days of the date of the service of notice as specified in section 6.4.4 may be disposed of by the municipality without further notice to any person and without any liability to compensate the owner of the sign.

PART 7 SUPPLEMENTARY REGULATIONS

7.1 Accessory Buildings

7.1.1 In a Residential District:

- (a)** No accessory building or any portion thereof shall be erected or placed within the front yard of a parcel.
- (b)** An accessory building shall be situated so that the exterior wall is at least 1.0 m (3.28 ft.) from the side and rear boundaries of the parcel, except in the RMB district where all accessory buildings shall be situated at least 4.5 m (14.76 ft.) from the rear parcel boundary.
- (c)** An accessory building on a corner parcel shall not be situated closer to the street than the principal building and maintain a side yard setback from the street consistent with the requirements of that district.
- (d)** Notwithstanding subsections (b) and (c) of this section, in any residential district other than the RMB district, an accessory building or any portion thereof may be erected or placed on the rear or side boundary common to two parcels provided the accessory building serves the two abutting parcels. The Town may as a condition of approval, require the owners to construct a firewall and cause to register a party wall agreement on both affected titles.
- (e)** An accessory building shall not be more than 5.0 m (16.4 ft.) in height, and shall not exceed the height of the principal building.
- (f)** Notwithstanding section (e) above, a garage suite shall not be more than 7.5m (24.6 ft.) in height and shall not exceed the height of the principal building.
- (g)** An accessory building erected or placed on a parcel shall not be used as a dwelling unless a permit has been issued for the development of a garage suite.
- (h)** Notwithstanding section (a) above and other than in the RMB district, an accessory building may be allowed in the front yard of a residential parcel that abuts either Sylvan Lake or a reserve or open space parcel (public or private as determined by the Development Authority) abutting Sylvan Lake. Accessory buildings in such a case must be sited as follows:
 - (i)** The exterior wall is a minimum of 1.0 m (3.28 ft.) from any side parcel boundary, and 6.0 m (19.68 ft.) from the front parcel boundary.

-
- (ii) Unless otherwise approved by the Municipal Planning Commission, no accessory building shall be sited so as to be closer to Sylvan Lake than the principal building.
 - (i) Soft-sided or fabric covered buildings shall not be permitted in residential districts except on a temporary basis, subject to section 7.42, temporary buildings or for use as a greenhouse.

7.1.2 All Other Districts:

- (a) No accessory building or any portion thereof shall be erected or placed within the front yard of a parcel or any yard adjacent to a highway or major road.
- (b) Accessory buildings shall reflect the design of the principal dwelling on the parcel; incorporating similar exterior cladding colours and materials and roof lines.
- (c) For all soft-sided or fabric covered buildings visible from a highway and/or major road, the Development Authority shall also take into account the building appearance, orientation, and design, and may add any conditions necessary to ensure such building is suitable to the character of the existing development in the district, as well as its effect on adjacent districts. A higher level of landscaping and buffering may also be required to ensure that the building is appropriately screened to the satisfaction of the Development Authority.

7.2 Adult Entertainment Establishments and Adult Oriented Indoor Merchandise Sales

- 7.2.1 Unless otherwise approved by Council, an adult entertainment establishment or an adult oriented indoor merchandise sales development shall not be located on a parcel having a minimum radial separation distance of less than 150 m from the boundary of a parcel which contains a residential building, and from the boundary of a parcel accommodating a school, church, day care facility, public park, playground, municipal building, medical and health related service, public and quasi-public use, or any other adult entertainment establishment or adult oriented indoor merchandise sales development.

7.3 Alternative Energy Collecting and Storing Devices

- 7.3.1 Solar energy devices attached to a principal or accessory building shall:

- (a) be integrated so as to mimic the roof or wall/structure. The mounted panel shall project no more than 0.15 m (6 in) from the surface of the building;

-
- (b)** where located on buildings with flat roofs, not project vertically more than 1.0 m (3.28 ft.) above the roof line in residential districts and not more than 1.8 m (6 ft.) above the roof line in all other districts; and,
 - (c)** not extend beyond the outermost edge of the roof or wall to which it is mounted;

7.3.2 Solar energy devices not attached to a building shall:

- (a)** be located in a side or rear yard only;
- (b)** not exceed 2.5 m (8.2 ft.) in height above the ground; and
- (c)** be screened from adjacent properties with a fence or landscaping, to the satisfaction of the Development Authority.

7.3.3 Wind Energy Devices shall:

- (a)** Be located in a side or rear yard only;
- (b)** Be subject to the district requirements for height on the parcel which they are located;
- (c)** Be sized appropriately to the district in which they are located. Devices located on residential lots shall be designed specifically to be for such use;
- (d)** not generate any noise that extends beyond the property boundary in a residential district;

7.3.4 The Development Authority may require provision of a visual and noise impact statement including steps proposed to mitigate such impacts.

7.3.5 Geothermal Energy Devices shall:

- (a)** Be permitted provided its underground components meet the required setbacks for accessory buildings in the district;
- (b)** In the case of above ground components, adhering to the following:
 - (i)** in a residential district, be subject to the district requirements for an accessory building on the lot where the device is located;
 - (ii)** in all other districts, be subject to the district requirements for a principal building on the lot where the device is located; and
 - (iii)** not require a development permit, subject to meeting the requirements of the district in which they are located.

7.4 Bed and Breakfast Services

- 7.4.1 Bed and Breakfast services shall only be allowed in detached dwellings in those districts where it is listed as a use.
- 7.4.2 The operation and appearance of the bed and breakfast service shall not unduly impact the amenities and character of the residential neighbourhood. This includes visual, noise, traffic, and any other impact identified by the Development Authority.
- 7.4.3 The number of guest rooms shall be limited to 2 unless otherwise determined by the Development Authority based upon the merits of the individual proposal. The rooms shall have access from within the dwelling. The rooms shall not be dwelling units as defined in this Bylaw.
- 7.4.4 On-site parking shall be provided on a basis of one (1) parking stall per guest room. This is in addition to the parking requirement for the detached dwelling itself.
- 7.4.5 Signage shall be permitted in accordance with Part 8, Signs.
- 7.4.6 No business, other than one (1) Class A home occupation shall be permitted in a detached dwelling that contains a bed and breakfast service.
- 7.4.7 Secondary suites and garage suites are not permitted on a parcel that contains a bed and breakfast service.
- 7.4.8 No person other than a permanent resident of the dwelling shall be employed in the bed and breakfast service. The hiring of casual labour for such tasks as yard and building maintenance and housekeeping services is permissible.
- 7.4.9 Approval of a development permit does not exempt the operator of a bed and breakfast service from complying with any federal, provincial or other municipal legislation.

7.5 Building Demolition

- 7.5.1 An application to demolish a building shall not be approved without a statement or plan which indicates:
 - (a) how the operation will be carried out so as to create a minimum of dust or other nuisance; and
 - (b) the final reclamation of the parcel;to the satisfaction of the Development Authority.

7.6 Building Orientation and Design

- 7.6.1 The design, character and appearance of any building, or series of buildings, structure or sign proposed to be erected or located in any District must be acceptable to the Development Authority having due regard to the character of the existing development in the District , as well as its effect on adjacent districts.
- 7.6.2 Where applicable, buildings shall comply with any statutory planning documents which set out specific guidelines as to the design, character, appearance or building materials to be used within a district or area, or any architectural control guidelines adopted by Council. All development within the Waterfront Direct Control District (W-DC) shall follow the requirements set out by the Waterfront Urban Design Guidelines for the Town of Sylvan Lake.
- 7.6.3 Site layout and building design shall have regard to adjacent properties and the effect on amenities such as privacy, sunlight and other microclimate effects. View corridors to and from the lake shall be maintained wherever possible to the satisfaction of the Development Authority.
- 7.6.4 All sides of a building exposed to a highway or public road shall be treated as a principal façade and finished in an appropriate manner to the satisfaction of the Development Authority.
- 7.6.5 Front entries should be clearly defined and orientated towards the front façade of the building.
- 7.6.6 Rooflines and facades of buildings shall be articulated and varied appropriately to the size of the site and the scale of the building in order to reduce the perceived mass and linear appearance of buildings and ensure an interesting streetscape.
- 7.6.7 Mechanical equipment on the roof of any building should be concealed by incorporating it within the building roof, or by screening it in a way that is consistent with the character and finishing of the building to the satisfaction of the Development Authority.
- 7.6.8 The design of rooftops visible from higher buildings should be considered and where feasible, rooftop gardens and patios should be incorporated to improve aesthetics and provide additional amenity space.
- 7.6.9 Crime Prevention Through Environmental Design (CPTED) principles and strategies should be used in site and building design where appropriate, pursuant to section 7.10.

7.6A Commercial Patios

- 7.6A.1 A commercial patio shall only be permitted as an accessory use to an approved principle use. All commercial patios shall be in accordance with the following regulations:
- (a) no commercial patio shall exceed the gross floor area of the principle use;
 - (b) no commercial patio shall be located within any yard that abuts a residential district;
 - (c) all outdoor lighting and speakers shall be directed inwards, away from adjoining properties and streets;
 - (d) patios constructed on a rooftop are to be entirely enclosed by a fence or wall with a minimum height of 1.21m (4.0 ft.) and may be required to be setback from the edge of the building eave. In addition, rooftop patios should be sited so as to minimize their potential impact on the use and enjoyment of surrounding land uses, particularly residential uses; and
 - (e) parking is to be provided at the same ratio as the main use.
- 7.6A.2 In addition to the requirements set out in 7.6A.1, the following requirements shall apply to all licensed commercial patios:
- (a) patios shall be fully enclosed by a minimum 1.0m (3.3 ft.) high physical barrier which is permanent and immovable;
 - (b) patios adjacent to each other shall be separated by a minimum 1.8m (6 ft.) high wall or barrier; and
 - (c) patios shall be designed to be accessible via the interior of the establishment only, with the exception of emergency exits as required.
- 7.6A.3 A commercial patio enclosures shall:
- (a) be designed to be aesthetically pleasing and complimentary to the architecture of the building it is accessory to;
 - (b) be made of materials, such as tempered glass, that allows for two-way visual surveillance where enclosures exceed 1.0m (3.3 ft.) in height;
 - (c) not incorporate any sharp or pointed pickets; and
 - (d) be designed to the satisfaction of the Development Authority.
- 7.6A.4 Live entertainment is permitted on commercial patios from 9:00 am to 9:00 pm Monday to Sunday.
- 7.6A.5 Notwithstanding 7.6A.4, live entertainment is permitted on commercial patios from June 1 to September 30 on Thursdays, Fridays, and Saturdays, as well as on Sundays when the following Monday is a statutory holiday in Alberta, from 9:00 am to 11:00 pm.
- 7.6A.6 Commercial patios shall not:
- (a) be used as a dance floor for the purposes of dancing by the patrons of the establishment; or
 - (b) permit adult entertainment, the main feature of which is the nudity or partial nudity of any person.
- (Bylaw 1735/2017)

7.7 Comprehensive Site Planning and Design

- 7.7.1 Where the site is part of a larger area the whole of which may eventually be developed, the Development Authority may require the submission of a comprehensive Development Phasing Plan for the whole area before dealing with the initial application and may require that the plan be prepared by a qualified professional.

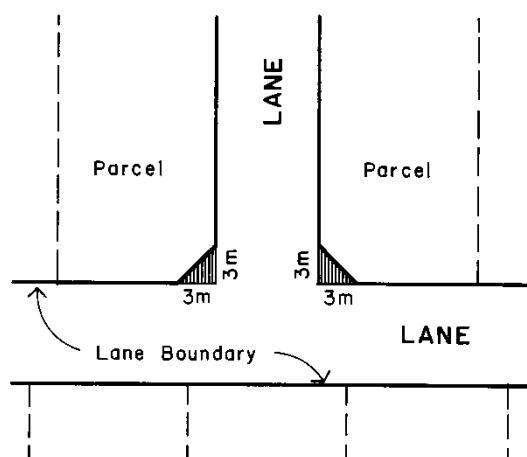

7.8 Community Gardens

- 7.8.1 Community gardens shall be considered a discretionary use in all districts and are subject to approval by the Development Authority and any applicable Town policies.

7.9 Corner Visibility Setbacks

- 7.9.1 No person shall erect, place, allow or permit any building, fence, vehicle or trailer, screening material or object, and no person shall plant or permit to grow any hedges, trees or vegetation which exceeds 0.9 m (2.95 ft.) in height on a portion of a corner site determined as follows:

- (a) where the corner site is at the intersection of two lanes, a lane and a street or two streets, a sight triangle of 3.0 m (9.84 ft.) in length shall be provided (see figure).

- 7.8.2 At the intersection of two streets, the Development Officer/Municipal Planning Commission may require the calculation of sight triangles where:
- (a) one of more rights-of-way is less than 15.0m (49.21 ft.), or
 - (b) regulated vehicle speed exceeds 50 km/h, or
 - (c) one of the carriageways is not centred in its right-of-way, or

-
- (d) an intersection leg is curved or skewed, or
 - (e) an intersection leg is sloped at 2% or greater.

7.10 Crime Prevention Through Environmental Design

7.10.1 All developments are encouraged to be designed, where appropriate, using Crime Prevention Through Environmental Design Principles including:

- (a) Natural Surveillance – includes designing the site in a manner that increases the perception that people can be seen from buildings and spaces on the site. Design elements include individual walk up entrances to residential buildings, windows that face the street, and lighting and landscaping designed to promote natural observation.
- (b) Natural Access Control – includes increasing the perception of risk for potential offenders by limiting access and controlling flow on the site. Design elements include the use of fencing, landscaping, and lighting to restrict access as well as selectively placing entrances and exits and having clearly identifiable entry points.
- (c) Natural Territorial Reinforcement – includes limiting the opportunity for crime by clearly differentiating between public space and private space. Defining ownership with fencing, paving, landscaping, and building design.

7.10.2 The Development Authority may add conditions to any development permit to ensure that the development adheres to CPTED principles.

7.10.3 The Development Authority may require a CPTED analysis be completed for any commercial or public use development.

7.11 Dangerous Goods

7.11.1 Prior to making any decision on a development application which involves dangerous goods or development on adjacent land or in close proximity to any dangerous goods the Development Officer/Municipal Planning Commission shall refer the development proposal to the appropriate regulatory authority for comments.

7.11.2 A dangerous goods occupancy is considered any use where dangerous goods, as defined in the Transportation of Dangerous Goods Act, are loaded, unloaded, stored, processed or otherwise handled, unless otherwise specified by the Fire Chief.

7.12 Decks

7.12.1 A deck shall be permitted to project into the:

- (a) minimum front yard of the district a maximum of 1.5 m (4.9 ft.);
- (b) minimum side yard of the district a maximum of 0.6 m (2 ft.); and
- (c) minimum rear yard of the district a maximum of 3.0 m (9.8 ft.).

7.12.2 When a deck becomes enclosed or covered, it shall be considered an addition to the principal building and is required to meet all setback requirements of that district for such buildings.

7.12.3 A deck with a height of less than 0.6 m (2 ft.) shall not require a development permit, providing all setbacks and allowable projections within the district are met.

7.13 Development in Proximity to Oil and Gas Wells

7.13.1 In accordance with the Subdivision and Development Regulation, development that would result in permanent additional overnight accommodation or public facilities, as defined by the Energy Resources and Conservation Board (ERCB), shall be in excess of 100 m (328.1 ft.) from the well head of a gas or oil well, unless, in the opinion of the Development Officer/Municipal Planning Commission, it may be considered an infill development or is otherwise approved in writing by the ERCB.

7.14 Development Setbacks for Wastewater Treatment Plants

7.14.1 In accordance with the *Subdivision and Development Regulation*:

- (a) A school, hospital, food establishment or residential building must not be approved and a residential building must not be constructed if the building site is within the distances of the working area of an operating wastewater treatment plant specified in the *Subdivision and Development Regulation*, and
- (b) a wastewater treatment plant must not be approved within the distances from any existing or proposed school, hospital, food establishment or residential building specified in the *Subdivision and Development Regulation*,
unless the development is approved in writing by the Deputy Minister of Alberta Environment & Parks.

7.15 Development Setbacks from Landfills and Waste Sites

7.15.1 In accordance with the *Subdivision and Development Regulation*:

- (a) a school, hospital, food establishment or residence must not be approved and a residence must not be constructed if the building site is within the distances from a sanitary landfill, modified sanitary landfill, hazardous waste management facility, dry waste site, waste processing site, waste storage site, waste sorting station or waste transfer station specified in the *Subdivision and Development Regulation*, and
- (b) a sanitary landfill, modified sanitary landfill, dry waste site, hazardous waste management facility, waste processing site, waste storage site, waste sorting station or waste transfer station must not be approved within the distances from the property boundary of a school, hospital, food establishment or residence specified in the *Subdivision and Development Regulation*.

unless the development is approved in writing by the Deputy Minister of Alberta Environment & Parks.

7.16 Drinking Establishments

7.16.1 No development application for the construction or renovation of a drinking establishment may be approved unless it meets the following requirements:

- (a) No openings, such as a public entrance door or opening window, and no outdoor patio balcony, shall be located on a side of the subject building that faces or abuts a residential district or a lane or road separating the site from a residential district. This prohibition does not apply to emergency exits, loading-bay doors or non-opening windows;
- (b) The parking areas of the drinking establishment, which are located adjacent to a residential area, shall be screened to the satisfaction of the Development Authority;
- (c) No drinking establishment with a total occupancy capacity of 100 patrons or more, shall be located on a parcel that is within 50 m (164 ft.) of a parcel that contains a residential building, unless in the opinion of the Development Authority the proposed drinking establishment will not:
 - (i) unduly interfere with the amenities of the residential neighbourhood; and
 - (ii) materially interfere with or affect the use, enjoyment or value of neighbouring parcels of land;

-
- (d) The main entrance of a drinking establishment which has a capacity of 100 or more patrons may not be located closer than 100 m to the main entrance of any other drinking establishment with a capacity of more than 100 patrons;
 - (e) Lighting of a site containing a drinking establishment shall be provided to the satisfaction of the Development Authority and so as to minimize the potential impact on any adjacent residential uses;
(Bylaw 1735/2017)
 - (f) In making its decision, the Development Authority shall be mindful of Crime Prevention Through Environmental Design (CPTED) principles in accordance with section 7.10.

7.16.2 Processing of an application for a development permit for a drinking establishment may include:

- (a) Prior to making either a decision on an application for a development permit for a drinking establishment or a recommendation to Council regarding an application for a drinking establishment in a direct control district, the Development Authority may refer the application to any of the following for comment / input:
 - (i) The RCMP;
 - (ii) Applicable Municipal Boards or Committees;
 - (iii) A Crime Prevention Through Environmental Design (CPTED) expert; and
 - (iv) Adjacent / area landowners, businesses and residents,
- (b) The Development Authority may require the applicant or proponent to prepare and submit an impact statement pursuant to Section 7.23, Impact of Adjacent Uses on Residential Districts.
- (c) The Development Authority may require the applicant or proponent to host a public open house meeting so that the general public may review what is being proposed and may provide verbal and written feedback on the proposal.

7.17 Drive-Through Businesses

- 7.17.1 Drive-through businesses, including gas bars and carwashes, shall be located only where the Development Authority is satisfied that the development and resulting vehicle circulation patterns will not adversely affect the function of public roadways, internal roadways, or internal vehicle circulation routes.
- 7.17.2 Queuing space shall be provided on the same site as the development as follows:
- (a) For drive-through food services and other development having a service window or automated machine, a minimum of 5 inbound queuing spaces shall be provided for vehicles approaching the service window or automated machine. One outbound queuing space shall be provided on the exit side of the service window or automated machine. Additional queuing spaces may be required in order to ensure the development does not impact adjacent roadways.
 - (b) For drive-through vehicle services, inbound queuing spaces shall be provided at the discretion of the Development Authority based on the specific use and anticipated traffic. A minimum of one inbound queuing space per bay shall be provided.
 - (c) Each queuing space shall be a minimum of 5.5 m (18 ft.) long and 3.05 m (10 ft.) wide. Queuing lanes shall provide sufficient space for turning and maneuvering.

7.18 Driveways

- 7.18.1 Any building into which a vehicle may enter other than in the RMB Land Use District shall have a driveway on the parcel at least 6.0 m (19.69 ft.) in length, except where the driveway enters from a lane, where it shall be a minimum of 1.0 m (3.28 ft.) from the property line. In the case where a driveway does not provide access into a building, the driveway shall meet the minimum requirements for parking stalls as listed in section 7.36, regardless of where access is taken from.

(Bylaw 1736/2017)

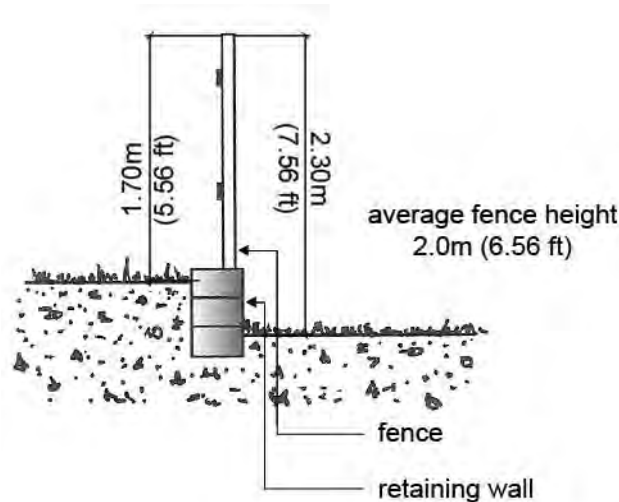

-
- 7.18.2 Notwithstanding 7.18.1, in the case where an easement has been placed along the rear property line, the building setback shall be a minimum of the width of the easement plus 0.5 m (1.64 ft.).
- 7.18.3 At street intersections, driveways shall be setback from the parcel boundaries which form the intersection not less than:
- (a) 6.0 m (19.69 ft.) where the driveway serves not more than four dwelling units, or
 - (b) 15.0 m (49 ft.) for all other uses,
- except where existing or planned traffic volumes indicate that a greater distance is required to improve or maintain traffic safety and efficiency.
- 7.18.4 The maximum width of a driveway in commercial and industrial districts shall be 10.0 m (32.8 ft.).
- 7.18.5 The maximum width of a driveway in a residential district shall be 8.0 m (26.25 ft.), and shall be grouped together in pairs to maximize the amount of space available for on street parking. Driveway location shall be identified to the satisfaction of the Town at time of subdivision.
- 7.18.6 The minimum distance between driveways shall be:
- (a) nil, where the driveways serve single dwelling units,
 - (b) 6.0 m (19.69 ft.), where the driveways serve any other use,
- except where existing or planned traffic volumes indicate that a greater distance is required to improve or maintain traffic safety and efficiency.
- 7.18.7 The minimum angle for a driveway to a use which generates high traffic volumes shall be 70°.
- 7.18.8 To ensure that the movement of traffic is both safe and efficient, driveways are not allowed on the streets identified in Part 11.
- 7.18.9 Driveways and parking areas shall be hard surfaced if access is gained directly from or to a paved road.
(Bylaw 1736/2017)

7.19 Fencing and Screening

- 7.19.1 The maximum height of a fence, as measured from grade, shall be:
- (a) 2.0 m (6.56 ft.) in the rear and side yards; and

(b) 1.0 m (3.28 ft.) in the front yard;

- 7.19.2 Notwithstanding 7.19.1, a higher fence may be approved for public safety, security, privacy, or buffering purposes at the discretion of the Development Authority.
- 7.19.3 Where a fence is constructed on a retaining wall or where a significant difference in grade exists on adjacent parcels, height shall be calculated as the average combined height measured from grade on both sides of the fence and/or retaining wall.

- 7.19.4 All fencing shall compliment the character and quality of the principal building.
- 7.19.5 Fences containing barbed wire are not permitted except in an industrial or commercial district where the barbed wire is required for security purposes and is located only in the side and rear yards, above a height of 2.0 m (6.56 ft.).
- 7.19.6 Electric fences shall not be permitted.
- 7.19.7 All commercial and industrial developments, which share a property line with a residential development or a lane which abuts a residential development, shall be screened from the view of the residential development with a 2.0m (6.56 ft.) fence and/or landscaping to the satisfaction of the Development Authority.
- 7.19.8 For sites containing bulk outdoor storage, including but not limited to auto wrecking yards, lumber yards, pipe storage and similar uses, screening in the form of a fence, landscape planting, earth berm, or any combination thereof to the satisfaction of the Development Authority, shall be required.
- 7.19.9 For any site where noise is a potential nuisance, the Development Authority may specify that fencing be designed to attenuate noise. Where noise

attenuation fencing is required, the developer/applicant may be required to submit a report, prepared by a qualified professional, outlining the type and specifications for the fencing.

- 7.19.10 Materials and landscaping used for screening and buffering shall provide year round screening.

7.20 Garage Suites

- 7.20.1 Notwithstanding section 7.1, an accessory building containing a garage suite may be used as a subordinate dwelling to the principal dwelling unit on the parcel.

- 7.20.2 Garage Suites shall have an entrance separate from the entrance to the detached garage.

- 7.20.3 Garage Suites shall be restricted to sites that:

- (a) can be accessed by a rear lane and are:
 - (i) lots which back onto a lane adjacent to an arterial road that is separated from the lane by a landscaped boulevard; or
 - (ii) lots where a side or rear lot line abuts a site containing a row housing, four-plex, or apartment development; or
 - (iii) lots where a side or rear lot line abuts a High Density Residential District (R3), a Public Facility District (PF), or a Commercial District; or
 - (iv) located within the Neighbourhood Redevelopment Overlay District boundary across a rear lane from a parcel designated DC-2 (Direct Control District). (Bylaw 1728/2017)

- (b) directly abut Sylvan Lake or a reserve or open space abutting Sylvan Lake.

- (c) Comply with the regulations as stated within the Neighbourhood Redevelopment Overlay District. (Bylaw 1728/2017)

- 7.20.4 There may only be one garage suite per parcel and a parcel containing a garage suite shall not be allowed to have a secondary suite, except parcels which comply with the requirements of the Neighbourhood Redevelopment Overlay District. (Bylaw 1728/2017)

- 7.20.5 A parcel containing a garage suite may also accommodate a Class A or B home occupation as described in section 7.22.

-
- 7.20.6 One on-site parking stall shall be provided per garage suite, in addition to the number of stalls required for the principal building. All parking stalls shall be hard surfaced.
- 7.20.7 Tandem parking shall not be permitted as a method for meeting the parking requirements for a garage suite.
- 7.20.8 Garage Suite Design Guidelines:
- (a) Garage and suite exteriors shall relate to the house exterior by utilizing similar design elements, colours and finish materials.
 - (b) Windows and platform structures, including balconies and stairwells, shall be designed to face a flanking roadway, interior of the lot, or the lane, so as to provide privacy for adjacent properties.
- 7.20.9 Garage suites shall not be used as tourist homes.
- 7.20.10 All garage suites shall comply with the Province of Alberta's Building Code and Fire Code.
- 7.20.11 A garage suite shall not be subject to separation from the principle dwelling through a condominium conversion or subdivision.
- 7.20.12 In addition to the other regulations listed herein, the following standards shall apply to garage suites not located in the W-DC District:
- (a) Garage suites shall only be located on parcels containing single detached dwellings
 - (b) The minimum parcel area that may contain a garage suite is 428 m² (4607ft²).
 - (c) The maximum floor area of a garage suite is 60 m² (645 ft²).
 - (d) The minimum side yard shall be the same as the primary dwelling requirement for the district.
 - (e) The maximum height of a garage suite is 7.5 m (24.6 ft.) above grade and shall not exceed the height of the principal dwelling.
- 7.20.13 Notwithstanding section 7.20.12, Garage Suites located in the Waterfront Direct Control District (W-DC) shall follow the requirements set out by the Waterfront Urban Design Guidelines, as well as those regulations listed in section 7.20.

7.21 Garbage and Recycling Storage

- 7.21.1 All garbage, waste, and recycling material shall be:
- (a) Stored in weatherproof and animal proof containers;
 - (b) Located at the side or rear of the principal building;

-
- (c) Provided in a location easily accessible for pickup; and
 - (d) Visually screened from all adjacent sites and public thoroughfares; to the satisfaction of the Development Authority.

7.21.2 All multi-family and non-residential development shall provide onsite garbage, waste, and recycling storage.

7.22 Home Occupations

7.22.1 A Class A home occupation shall:

- (a) be operated from within the dwelling and not use any accessory building or any outdoor part of the parcel except for a parking space;
- (b) not store any materials outside the dwelling;
- (c) not employ any person on site who is not a permanent resident of the dwelling;
- (d) create no noise, dust, odour, smoke, vibration or any other nuisance which is discernible beyond the boundaries of the parcel;
- (e) not use any dangerous goods which would not reasonably be used in association with the residential use of the dwelling;
- (f) not require any additional parking stalls;
- (g) not use any vehicle in the operation of the home occupation which would not reasonably be used in association with the residential use of the dwelling;
- (h) not have any associated vehicle visits to the premises;
- (i) not display any signage; and
- (j) not operate without a Business License issued by the municipality.

7.22.2 A Class B home occupation shall:

- (a) be operated from within the dwelling and not use any accessory building or any outdoor part of the parcel except for a parking space;
- (b) not store any materials outside the dwelling;
- (c) not employ any person on site who is not a permanent resident of the dwelling;
- (d) create no noise, dust, odour, smoke, vibration or any other nuisance which is discernible beyond the boundaries of the parcel;
- (e) not use any dangerous goods which would not reasonably be used in association with the residential use of the dwelling;
- (f) provide one parking stall in addition to the stalls required for the dwelling in accordance with section 7.36;
- (g) not use any vehicle in the operation of the home occupation which would not reasonably be used in association with the residential use of the dwelling;
- (h) not cause more than a total of 6 visits a day to the dwelling;
- (i) not display any sign other than one un-illuminated window sign, not exceeding 50% of the area of the window, or a board sign no larger than 0.3 m² (3.2 ft²) advertising the one or more home occupations operated

-
- from the parcel;
 - (j) not operate without a valid development permit and Business License issued by the municipality.

7.22.3 A Class C home occupation shall:

- (a) be operated from within the dwelling or an accessory building;
- (b) not store any materials outside the dwelling or an accessory building;
- (c) not use any dangerous goods which would not reasonably be used in association with the residential use of the dwelling;
- (d) not have more than one (1) employee, who is not a permanent resident of the dwelling, on the parcel at any one time;
- (e) create no dust, odour, smoke, vibration or any other nuisance, other than noise, which is discernible beyond the boundaries of the parcel;
- (f) provide the following parking spaces, in addition to the stalls required for the principal dwelling in accordance with section 7.36:
 - (i) one space for visitors; and
 - (ii) one parking space for each employee who works on the parcel but who is not a permanent resident of the dwelling;
- (g) not cause a level of additional traffic which, in the opinion of the Development Authority, will be to the detriment of the amenities and safety of residents in the vicinity of the parcel;
- (h) not display any sign other than one un-illuminated window sign, not exceeding 50% of the area of the window, or a board sign no larger than 0.3 m² (3.2 ft²) advertising the one or more home occupations operated from the parcel;
- (i) not operate without a valid development permit and Business License issued by the municipality.

7.22.4 A development permit for the establishment of a Class B Home Occupation shall have a time limit of 3 years. Upon expiration of the original permit the Development Authority may consider granting an approval with no time limit if the home occupation still meets the regulations as set out above.

7.22.5 A development permit for a Class C Home Occupation shall have a time limit of 2 years. The applicant may reapply upon expiration, for additional two year approvals, if the home occupation still meets the regulations as set out above.

7.22.6 Vehicles associated with the home occupation including trailers and trucks shall be parked in the rear yard where permissible.

7.22.7 Tandem parking may be considered for home occupations where appropriate.

7.23 Impact of Uses on Adjacent Residential Districts

- 7.23.1 The Development Authority may require the submission of an impact statement as part of the development permit application for any proposed non-residential use that is in close proximity (as determined by the Development Authority) to one or more residential districts. The impact statement shall outline the measures proposed to be taken to mitigate all confirmed or potential impacts (which may include noise, visual impacts, or other) so that the proposed use will not negatively affect the said residential district(s).
- 7.23.2 To ensure that confirmed or potential impacts on adjacent parcels are mitigated, the Development Authority may require additional measures be taken, including but not limited to additional requirements for landscaping, buffer zones, berming, fencing, building orientation and appearance, or any combination thereof.

7.24 Landscaping

- 7.24.1 All new development or substantial enlargement, excluding a change of use in an existing structure, shall be required to follow the landscaping requirements as set out in section 7.24. Landscaped area shall be as follows:

Land Use District	Landscaped Area
R1, R1A, RMB, R5, R5A	35%
R2, R3	30%
CN	20%*
CNS, CH	15%*
I1	60% of front yard setback area*
I2	50% of front yard setback area*
*Commercial and Industrial developments may be required to provide additional landscaping if the development abuts more than one road or highway.	

- 7.24.2 Where ever possible existing vegetation shall be preserved and protected or replaced as specified within this bylaw. Existing trees which are removed or damaged by development shall be replaced in accordance with section 7.24.
- 7.24.3 With the exception of single detached dwellings, duplexes and triplexes, all development shall follow planting requirements as follows:
- (a) a minimum of one tree per 35 m² (376.75 ft².) of landscaped area;
 - (b) a minimum of one shrub per 25 m² (269.11 ft²) of landscaped area;

-
- (c) a minimum of one third (33%) of the required trees shall be coniferous;
 - (d) deciduous trees shall have a minimum calliper size of 50mm for small trees and a minimum calliper size of 75 mm for large trees at the time of planting. Ornamental trees shall be an exception and shall have a minimum calliper size of 35 mm and shall be considered small trees;
 - (e) Coniferous trees shall have a minimum height of 1.8 m for small trees and a minimum height of 2.5 m for large trees at the time of planting;
 - (f) 50% of all trees planted shall be large trees;
 - (g) shrubs shall be a minimum of #2 container pot size at the time of planting;
 - (h) calliper size shall be measured 6 inches above the ground; and,
 - (i) all plant material shall be of a species capable of healthy growth in the Town of Sylvan Lake and shall conform to the standards of the Canadian Nursery Trades association for nursery stock;
- 7.24.4 Where the calculation of the required number of trees and shrubs results in fractions, the values shall be rounded up to the next whole number.
- 7.24.5 Existing soft landscaping retained on site may be considered in the fulfilment of the total landscaping requirement.
- 7.24.6 The use of xeriscaping or native drought resistant plant materials shall be encouraged where possible.
- 7.24.7 For all multiple housing developments, including row housing, four-plexes, and apartments, landscaping should be designed to encourage the protection of the privacy of residences with windows on the main floor or in basements. This may include plantings around lower level windows and the design of walkways that maintain a separated distance from such windows.
- 7.24.8 A maximum of 10% of the parcel area may be hard-landscaped unless trees and shrubs are incorporated into the design to the density specified in section 7.24.3(a) and (b).
- 7.24.9 A sufficient depth of topsoil to facilitate growth in the soft landscaped areas shall be provided, with areas not planted to trees and shrubs being seeded to grass, sodded or left with its natural grass cover.
- 7.24.10 Trees should, for the most part, be planted in groups and contain an odd number of trees as well as a complimentary grouping of shrubs to the satisfaction of the Development Officer.
- 7.24.11 Landscaping shall be provided within all required yards that are adjacent to streets, roads, or highways, with the majority to be provided in the front yard, to the satisfaction of the Development Officer.
- 7.24.12 If any side of the property that faces a street, road or highway is to be fenced, the amount of landscaping that is to be provided outside of the fence shall be at

the discretion of the Development Authority. Such landscaping shall be provided within the subject property, with the fence located inside the property boundary.

- 7.24.13 Commercial and Industrial developments which are adjacent to residential land use districts must be designed and intensively landscaped to mitigate their impact on residential properties to the satisfaction of the Development Authority. This includes the appropriate screening of outside storage areas, parking facilities and loading areas.
- 7.24.14 In commercial and industrial districts adjacent to major roads, the Development Authority may require a higher standard of landscaping.
- 7.24.15 Landscaping shall be completed by the end of the first full growing season following completion of construction or the commencement of the use. For phased developments, each phase of landscaping shall be completed by the end of the first full growing season following completion of the particular phase of development.
- 7.24.16 Development constructed in phases shall include the portion of landscaping associated with each phase at the time of development of that phase. Landscaping shall be completed for each phase as set out in section 7.24.15.
- 7.24.17 The landscaped areas shown on the landscape plan as approved by the Development Authority shall be maintained for the duration of the development permit.
- 7.24.18 In addition to the on-site landscaping requirements, the Town boulevards adjoining the site shall be landscaped and maintained by the developer and successor.

Landscaped Islands within Parking Areas

- 7.24.19 All at grade parking areas required by this Bylaw to accommodate 40 or more vehicles shall incorporate landscaped islands or open space and pedestrian walkways within the parking area. A minimum of 2 landscaped islands shall be required, with an additional two islands for every additional 20 stalls.
- 7.24.20 Landscaped islands shall be placed to:
- (a) provide visual relief;
 - (b) assist vehicular circulation; and
 - (c) fragment large areas of parking into smaller cells.
- 7.24.21 Each landscaped island shall:
- (a) provide 1 tree per 25 m² and 1 shrub per 10 m², with a minimum of no less than 1 tree and 2 shrubs per island; and
 - (b) be designed to the satisfaction of the Development Authority.

-
- 7.24.22 Landscaped islands shall be designed to include pedestrian walkways to direct pedestrians through the park area. These walkways shall be hard surfaced.

Landscaping Securities

- 7.24.23 The applicant shall provide an estimate of the cost of landscaping, including all site work and irrigation work, to the Approving Authority, prior to Development Permit issuance.
- 7.24.24 An irrevocable Letter of Credit shall be provided for 100% of the established costs of landscaping or a minimum of three thousand dollars (\$3000.00), whichever is greater, which shall be held by the Town until such time that it has been determined that all landscaping has been installed. After the landscaping has been provided, as approved in the landscaping plan, the Letter of Credit may be reduced to 50%, which will be held for one growing season as a maintenance period to ensure the plant material survives.
- 7.24.25 If said landscaping is not provided as indicated on the approved landscaping plan or within the time specified in 7.24.15, then the amount specified in the irrevocable Letter of Credit shall be paid to the Town on demand for its use absolutely.
- 7.24.26 If the landscaping does not survive a one year maintenance period for all landscaping, the applicant must replace it to the satisfaction of the Development Officer or forfeit the portion of the Letter of Credit equal to the cost of replacing the landscaping materials.
- 7.24.27 After the maintenance period for all landscaping has expired and all landscaping and other improvements have been completed to the satisfaction of the Development Authority, the Letter of Credit will be released.

Landscape Plans

- 7.24.28 Applications for development permits shall be accompanied by a landscaping plan and shall include the following, to the satisfaction of the Development Officer:
- (a) name of the project and/or applicant;
 - (b) north arrow, plan scale and legal description/lot, block and plan number of the lot;
 - (c) a site plan showing lot boundaries and lot area measured in square meters, along with the location of proposed landscaping and related landscaping features (e.g. planting beds, boulders, etc.) in relation to all existing and proposed buildings, signs, outdoor storage areas, parking areas, display areas, approaches, driveways, fences, storm water utility areas, and utility right-of-ways;

-
- (d) location of existing plant materials to be retained;
 - (e) new plant materials shall be accurately scaled to mature size;
 - (f) location of planting beds and identification of bedding material;
 - (g) minimum site area, in square meters, required to be landscaped pursuant to the requirements of this Land Use Bylaw and the site area, in square meters, of the proposed landscaped area, as well as the percentage of the lot area;
 - (h) minimum number of trees and shrubs, in the required coniferous/deciduous ratio, required to be provided pursuant to the requirements of this Land Use Bylaw and the total number of trees and shrubs proposed, as well as the proposed coniferous/ deciduous ratio;
 - (i) a list of proposed variances from the minimum requirements, if any;
 - (j) a plant material list identifying the species/type of trees or shrubs, including the common names, and their planted size;
 - (k) if landscaping is being proposed within a utility right-of-way the plan must be endorsed by all utility companies that have access to the right-of-way, indicating their approval of the proposed landscaping within the right-of-way. This may be provided in the form of a letter stating that they are in support of the plan; and
 - (l) all other physical features, existing or proposed; including berms, walls, fences, outdoor furniture and decorative paving.

7.25 Environmental Conservation and Protection of Natural Areas

7.25.1 On-site environmental conservation and protection of natural areas shall be encouraged wherever possible in all new and existing developments. To the satisfaction of the Development Authority the following natural elements shall be conserved to the greatest extent possible:

- (a) Wetlands, swamps, gullies and natural drainage courses;
- (b) unstable land;
- (c) land subject to flooding by a 1:100 year flood;
- (d) land with a natural gradient of 15% or greater;
- (e) a strip of land not less than 30.0 m (98.4 ft.) in width along any river, stream, creek or lake, such distance to be measured from the top of the bank. A lesser setback may be considered if it can be proven that the development will have no adverse impact on the quality or flow of the watercourse, as determined by a qualified professional; and
- (f) existing trees and shrubs to the maximum extent possible.

7.25.2 Any healthy, mature tree that is required to be removed to allow for a development shall be replaced at a minimum ratio of 1:1 (new tree: existing tree), in addition to the landscaping requirements as set out in section 7.24.

7.26 Lighting

- 7.26.1 All development shall incorporate 'dark sky friendly' lighting practices that minimize light pollution, glare and adverse illumination on adjacent parcels, while maintaining night time, on-site safety and security while allowing for illumination of buildings, landscaping and outdoor displays.
- 7.26.2 Where artificial outdoor lighting is required to illuminate a site or building, the lighting shall be located and directed in such a manner that it does not, in the opinion of the Development Authority:
- (a) adversely illuminate adjacent developments;
 - (b) adversely affect the use, enjoyment or value of any residential property in the area; or
 - (c) pose a potential hazard to vehicle or pedestrian traffic on highways or roads in the area.
- 7.26.3 As a condition of the development permit approval, the Development Authority may require a site lighting plan, prepared by a qualified professional.

7.27 Manufactured Home Design

- 7.27.1 The external appearance of manufactured homes not located in the Manufacture Home District (R4) District must be acceptable to the Development Authority having regard to compatibility with other buildings in the vicinity and must have:
- (a) A minimum roof pitch of 4:12
 - (b) A roof surface of wood or asphalt shingles, clay or concrete tiles, slates or wood shakes
 - (c) A minimum roof overhang or eaves of 0.40 m (16 in) from each external wall
 - (d) A maximum length to width ratio of 3:1
 - (e) A minimum width of 7.3 m (24 ft.)
 - (f) A permanent foundation
 - (g) Been constructed after 1990.

7.28 Mechanized Excavation, Stripping and Grading of Parcels

- 7.28.1 A development permit is required to excavate, strip or grade land within the Town and shall be deemed a discretionary use within the district, unless the land is subject to an active development permit or endorsed subdivision and development agreement. No permits shall be issued under this section without full disclosure of the reason for the proposed works and change in the use of the site.
- 7.28.2 Applications for a development permit for mechanized excavation, stripping

and grading shall provide the following information:

- (a) The legal description of the subject site, and a site plan indicating the areas to be impacted;
- (b) The type, size and location of any vegetation on the site;
- (c) Detailed cut and fill plan;
- (d) A drainage plan indicating current and proposed elevations;
- (e) An erosion and sedimentation control plan;
- (f) A timeline for the work, a schedule indicating the times of day the work will occur, and how any nuisances will be mitigated, including dust abatement;
- (g) Location of fencing to secure any open excavation, as required;
- (h) Confirmation of insurance of landowner and contractors;
- (i) Security as required by Development Authority. (Bylaw 1736/2017)

- 7.28.3 All development permit applications for mechanized excavation, stripping and grading shall be circulated to the Town's Operations department prior to approval.
- 7.28.4 A temporary fence shall be erected around all excavations which in the opinion of the Development Authority may possibly be hazardous to the public.
- 7.28.5 Where finished ground elevations are established, all grading shall comply therewith.
- 7.28.6 All parcels shall be graded to ensure that storm water is directed to a road without crossing adjacent land, except as permitted by the Development Authority.

7.29 Moved-in Buildings

7.29.1 No person shall:

- (a) place on a parcel, a building which has previously been erected or placed on a different parcel, or
- (b) alter on a parcel, the location of a building which has already been constructed on that parcel

unless a development permit has been issued by the Development Authority.

- 7.29.2 In addition to fulfilling the requirements of section 4.3, Applying for a Development, an application to locate a moved-in building on a site shall also be accompanied by:
 - (a) recent colour photographs showing all sides of the building;
 - (b) a statement on the age, size and structural condition of the building; and
 - (c) a statement of proposed improvements to the building.

-
- 7.29.3 Where a development permit has been granted for the relocation of a building either on the same parcel or from another parcel, as a condition of approval, the applicant shall be required to provide an irrevocable Letter of Credit, as a security, in the sum of \$20,000 to ensure all renovations are completed to the satisfaction of the Development Authority.
 - 7.29.4 All structural and exterior renovations shall be completed within one year of the issuance of a development permit.

7.30 Multiple Housing Developments

- 7.30.1 All multiple housing development applications shall submit a comprehensive site plan showing all buildings, parking, amenity space, and landscaping.
- 7.30.2 Multi-unit dwelling developments shall provide amenity space for the residents to the satisfaction of the Development Authority. This amenity space may be private, communal, or a combination of both.
- 7.30.3 Private outdoor amenity space shall be designed to provide visual privacy and be comprised of one or both of the following:
 - (a) Patios or courtyards: a minimum width or length of 2.4 m (7.87 ft.) and a minimum area of 7.4 m² (79.65 ft²) for each dwelling unit located at or below grade;
 - (b) Balconies: a minimum width or length of 1.5 m (4.9 ft.) and a minimum area of 4.5 m² (48.43 ft²) for each dwelling unit.
- 7.30.4 Communal amenity space shall be designed for recreational use and enjoyment of all residents of the development. The amenity space shall be indoor or outdoor, or a combination thereof, and may include landscaped courtyards, swimming pools, fitness centers, games rooms, and children's play areas complete with equipment.
- 7.30.5 For dwelling groups having 10 or more dwelling units, a minimum of 10% of the site shall be provided for a communal amenity space.
- 7.30.6 Buildings shall be arranged on the site to maximize privacy and shall be subject to the approval of the Development Authority.

7.31 Non-conforming Buildings and Uses

- 7.31.1 Any development permit that has been issued before the final approval of this Land Use Bylaw, or a bylaw to amend this bylaw, continues in effect notwithstanding that the enactment of the bylaw would render the development

a non-conforming use of land or building.

- 7.31.2 A non-conforming use of land or a building may be continued but if that use is discontinued for a period of 6 consecutive months or more, any future use of the land or building must conform to the Land Use Bylaw then in effect.
- 7.31.3 A non-conforming use of part of a building may be extended throughout the building but the building, whether or not it is a non-conforming building, may not be enlarged or added to and no structural alterations may be made to it or in it.
- 7.31.4 A non-conforming use of part of a parcel may not be extended or transferred in whole or in part to any other part of the parcel and no additional buildings may be constructed on the parcel while the non-conforming use continues.
- 7.31.5 A non-conforming building may continue to be used but the building may not be enlarged, added to, rebuilt or structurally altered except:
- (a) to make it a conforming building;
 - (b) for routine maintenance of the building, if the Development Authority considers it necessary, or
- 7.31.6 If a non-conforming building is damaged or destroyed to the extent of more than 75% of the market value of the building above its foundation, the building may not be repaired or rebuilt except in accordance with this Land Use Bylaw.
- 7.31.7 The land use or the use of a building is not affected by a change of ownership or tenancy of the land or building.

7.32 Number of Buildings on a Parcel

- 7.32.1 The number of dwelling units permitted on a parcel shall be limited to one, except where:
- (a) in the opinion of the Development Authority, either;
 - (i) the building is clearly designed to be divided into more than one dwelling; or
 - (ii) the development of the parcel is clearly designed to include more than one dwelling; and
 - (b) the use conforms to the uses prescribed in Part 9 for the District in which the parcel is located; and
 - (c) subject to section 3.3, Granting Relaxations, the development complies with the provisions of this Land Use Bylaw; and
 - (d) a development permit is issued for the use.

7.33 Objects Prohibited or Restricted in Yards

- 7.33.1 No person shall allow a motor vehicle which is in a dilapidated or unsightly condition, or a derelict vehicle to remain or be parked on a parcel in a residential District, unless it is suitably housed or screened to the satisfaction of the Development Authority.
- 7.33.2 No person shall park:
- (a) A recreational vehicle or utility trailer on a parcel in a residential district, except for:
 - (i) Any recreational vehicle or utility trailer parked in the rear yard of a parcel;
 - (ii) Any recreational vehicle parked on an approved, hard surfaced front or side yard parking area between April 1 and October 31 inclusive; or
 - (iii) Any utility trailer parked on an approved, hard surfaced front or side yard parking area.
 - (b) A recreational vehicle or utility trailer in any manner that reduces the number of available off-street parking stalls below that required for the uses of the parcel in section 7.36.1 and in accordance with section 7.36.11.
 - (c) A vehicle, recreational vehicle or utility trailer or any part thereof unless entirely contained within the property boundaries of the parcel, and not within 0.25 m of a sidewalk, curb, lane or roadway; or in any manner that protrudes, poses a traffic or safety hazard, or is otherwise not entirely within the property boundaries of the parcel.
 - (d) A passenger vehicle of any kind in the front or side yard of a residential district, except on a driveway or on an approved, hard surfaced parking area, as described in accordance with section 7.36.9.
- 7.33.3 In a residential district, no person shall allow or permit a recreation vehicle to be used for living or sleeping accommodations from September 16 to May 14. Additionally, only one recreation vehicle is allowed to be occupied on a site at any time and no rent or fees shall be paid for the use of the site or facilities.
(Bylaw 1715/2016)
- 7.33.4 In all other non-residential districts, a recreational vehicle may only be used for living and sleeping accommodation when parked in an approved campground.
- 7.33.5 Shipping containers shall be prohibited in all districts, with the exception of the CH, I1, I2 and PF districts. Shipping containers shall be deemed a discretionary use within the CH and PF districts. Shipping containers within the industrial district shall not require a development permit.

-
- 7.33.6 Shipping containers, permitted under section 7.33.5, shall only be used for shipping or storage purposes accessory to the principal use of the site and shall comply with the site requirements for accessory buildings within the applicable district.
- 7.33.7 A shipping container located within the CH district shall only be considered on properties where the placement of the container is not visible from a highway or road.
- 7.33.8 Notwithstanding section 7.33.6, shipping containers may be temporarily placed on a site in any district:
- (a) During active construction on a site when the shipping container is solely for the storage of supplies and equipment that are used for the site, provided that a valid building permit has been issued for the construction. The shipping container must be removed from the site upon completion of construction; or
 - (b) For the purposes of loading and unloading of items associated with the principal use for a period of not more than ten (10) days in any six month period.
- 7.33.9 When placed on a site pursuant to section 7.33.8, the shipping container shall:
- (a) Be located so as to not create a safety hazard;
 - (b) Not be located within 1.2 m of a property boundary; and
 - (c) Be located in the rear yard where possible.
- 7.33.10 All types of outdoor boilers are prohibited.

7.34 Outdoor Display Areas

- 7.34.1 The purpose of outdoor display areas shall be to display goods, products, materials or equipment intended and permitted to be sold or rented on a site.
- 7.34.2 Outdoor display areas shall be considered accessory to the primary use of the parcel.
- 7.34.3 All merchandise being displayed shall be maintained in good condition and shall be kept in a neat and orderly manner.
- 7.34.4 All outdoor display areas shall be appropriately designed and landscaped to compliment the character of the development and surrounding parcels, to the satisfaction of the Development Authority.
- 7.34.5 Outdoor display areas shall be maintained as such and shall not be used for the purpose of outdoor storage.

7.35 Outdoor Storage

- 7.35.1 The purpose of outdoor storage areas shall be to store equipment and materials associated with the day to day operations or sales of a business.
- 7.35.2 Outdoor storage areas shall be considered accessory to the primary use of the parcel.
- 7.35.3 No outdoor storage shall be permitted within the front yard of any non-residential district.
- 7.35.4 All outdoor storage of goods, products, materials or equipment shall be kept in a neat and orderly condition at all times and shall be screened from adjacent sites and thoroughfares, consistent with section 7.19 – fencing and screening, to the satisfaction of the Development Authority.
- 7.35.5 Sites with approved outdoor storage adjacent to a residential district or public roadway shall be required to provide additional landscaping, exceeding that of the minimum requirements as set forth in this bylaw, to the satisfaction of the Development Authority.

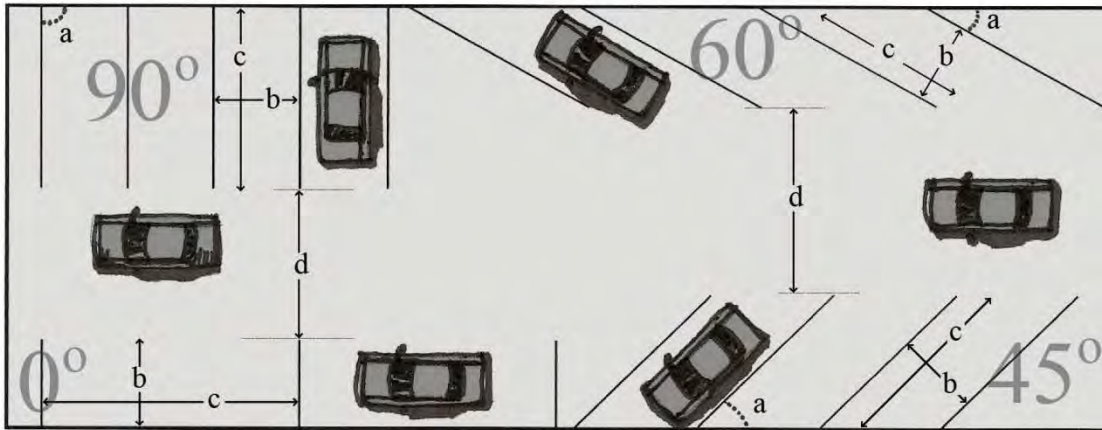

7.36 Parking

- 7.36.1 The following minimum number of parking spaces shall be provided and maintained upon the use of a parcel or a building in any District as described in Part 9 of this Land Use Bylaw. Any calculation of the number of parking spaces which produces a fractional number shall be rounded up to the next whole number.

Parking requirements within the Waterfront Direct Control District shall be at the discretion of the Development Authority	

- 7.36.2 Where a use is not listed in this section, on-site parking shall be provided as required by the Development Authority, having regard to similar uses listed and the estimated traffic generation for the proposed use.
- 7.36.3 When a building is enlarged or the use of a parcel or a building is changed or increased in intensity, the developer shall provide additional parking, calculated on the basis of the enlargement, alteration, or change in use. Any parking spaces that may have been removed due to the enlargement or alteration shall be replaced.
- 7.36.4 The parking space requirement on a parcel which has or is proposed to have more than one use shall be the sum of the requirements for each of those uses.
- 7.36.5 The dimensions of parking areas shall be as set out in the following diagram and table.

PARKING ANGLE (IN DEGREES) (a)	MINIMUM STALL WIDTH (b)	MINIMUM STALL LENGTH (c)	MANEUVERING SPACE (d)
0° (Parallel)	2.6 m (8.5 ft.)	9.0 m (29.53 ft.)	3.6 m (11.8 ft.)
45°	2.6 m (8.5 ft.)	5.7 m (18.07 ft.)	4.0 m (13.12 ft.)
60°	2.6 m (8.5 ft.)	6.0 m (19.69 ft.)	5.5 m (18.0 ft.)
90°	2.6 m (8.5 ft.)	5.5 m (18.0 ft.)	7.0 m (23.0 ft.)

- 7.36.6 At the discretion of the Development Authority, payment may be considered in lieu of providing the total number of parking spaces required by this section, where deemed appropriate for the use. Payment shall be made to the Town of Sylvan Lake at a rate established by resolution of Council.
- 7.36.7 Parking areas shall be hard surfaced where the proposed use is for commercial, four-plex, row housing, stacked row housing, apartment or multiple housing purposes.
- 7.36.8 Parking areas for other uses including single family, duplex and triplex housing purposes shall contain all weather surfaces (gravel), where access is taken from a lane.
- 7.36.9 Parking areas shall be hard surfaced if access is gained directly from or to a paved road.
- 7.36.10 Parking facilities used at night shall have adequate lighting for the entire parking facility. Such lighting shall be directed away from adjacent properties.

-
- 7.36.11 All required on-site parking shall be graded and paved so as to ensure that drainage will be confined to the site and disposed of in a manner satisfactory to the Development Authority.
- 7.36.12 Any recreation vehicle, trailer, or watercraft parked on a residential property shall not block or restrict access to the minimum number of parking stalls required for the principal and accessory uses of the site.
- 7.36.13 **TANDEM PARKING**
- (a) For detached dwellings, duplexes, and manufactured homes, 2 parking spaces per dwelling may be in tandem and may include 1 garage space. Tandem parking accessed via a rear lane shall be avoided wherever possible.
 - (b) Parking spaces may be configured in tandem for row housing developments where individual driveways are provided for each unit. Lane accessed tandem parking may be considered if the development includes rear garages.
- 7.36.14 Any consideration of a relaxation to parking requirements may require the contribution to additional community amenities or offsite parking facilities as outlined in relevant Council policy.

Alternate On-Site Parking

- 7.36.15 For non-residential uses, a minimum of 60% of the parking spaces required by this section shall be located on the same parcel as the use for which they are being provided except that, subject to the approval of the Development Authority, the spaces may be located on another parcel provided that:
- (a) the alternate parking spaces are within 150 m (492.1 ft.) of the proposed development;
 - (b) a caveat, ensuring the use of the parcel for the required number of parking spaces is registered against the Certificate of Title for that parcel.

Shared Parking

- 7.36.16 Shared use of the same on-site parking spaces to meet the requirements of 2 or more developments may be permitted at the discretion of the Development Authority, provided:
- (a) the normal business hours of each development do not overlap; and
 - (b) the total quantity of spaces is at least equal to the required spaces for the development in operation at any given time.

7.36.17 Mixed use parking located within the Waterfront Direct Control District (W-DC) and the 50th Street Direct Control District shall be calculated using the Sharing Factor Matrix below:

Parking required is calculated by adding the total number of spaces required by each separate function and dividing the total by the appropriate factor from the above Sharing Factor Matrix.

Parking for People with Disabilities

7.36.18 Parking spaces for people with physical disabilities shall be provided in accordance with the following table:

Number of Parking Stalls Required	Number of Designated Stalls for Use by Persons with Physical Disabilities
1-25	1
26-50	2
51-100	3
For each additional increment of 100 or part thereof	One additional stall

7.36.19 All spaces shall:

- (a) have a minimum width of 3.7 m (12.1 ft.) and length of 5.5 m (18 ft.);
- (b) be clearly marked as being for the use of persons with disabilities through the use of appropriate signage, identifiable in all seasons;
- (c) be level-surfaced and located close to an entrance; and
- (d) be included as part of, and not in addition to, the applicable minimum parking requirement as outlined in section 7.36.1.

Parking Lot Design

- 7.36.20 All parking lots shall be designed, located, and constructed for the safe and efficient movement of motor vehicles and pedestrians, adequate maintenance, an aesthetically pleasing appearance from public roads, and easy access to all parking spaces.
- 7.36.21 Parking lots shall include, where appropriate, sidewalks designed to move pedestrians through the site and connect the development with any adjacent municipal sidewalk(s) to the satisfaction of the Development Authority.
- 7.36.22 All at grade parking areas required by this Bylaw to accommodate 40 or more vehicles shall incorporate landscaped islands or open space within the parking area in accordance with section 7.24, Landscaping.

Bicycle Parking

- 7.36.23 In order to encourage alternative forms of transportation in addition to the required vehicular parking, bicycle parking shall be provided as follows:

- (a) A residential site of 20 or more dwellings and all non-residential uses the Development Authority deems necessary, shall provide bicycle parking equal to a minimum of 5% of the number of vehicular parking spaces required for the use;
- (b) Educational facilities shall provide a minimum of 10% of the required number of vehicular parking spaces; and
- (c) A residential site of 20 or more dwellings and all non-residential uses within the Waterfront Direct Control District and 50th Street Direct Control District shall provide bicycle parking equal to a minimum of 10% of the number of vehicular parking spaces required. Bicycle parking shall be provided as cash in lieu in these districts, at a rate established by Council, at the time of the development agreement.

- 7.36.24 Required bicycle parking spaces shall be wholly provided on the same site as the building, with the exception of those within the Waterfront Direct Control District and 50th Street Direct Control District.

- 7.36.25 Required bicycle parking spaces shall be illuminated and located on hard paved surfaces;

7.37 Loading Spaces

- 7.37.1 Loading spaces shall be required for all non-residential development and apartments.

-
- 7.37.2 Loading spaces shall be designed and located so that all vehicles using those spaces can be parked and manoeuvred entirely within the bounds of the parcel before moving onto a road.
 - 7.37.3 Loading spaces shall be located in rear and side yards only.
 - 7.37.4 A loading space shall be at least 3.5 m x 8.0 m (11.48 ft. x 26.25 ft.), with an overhead clearance of at least 4.0 m (13.1ft).
 - 7.37.5 All loading spaces shall be hard surfaced.

7.38 Satellite Dish, Radio and Other Antennas

- 7.38.1 A satellite dish antenna greater than 0.75 m (2.46 ft.) in diameter shall only be located in the rear yard, or side yard that does not abut a street.
- 7.38.2 A satellite dish antenna shall be situated so that no part of it is closer than 1.0 m (3.28 ft.) from the side or rear boundaries of the parcel. On corner parcels, no part of the antenna shall be located closer to the street than the principal building.
- 7.38.3 Where any part of a satellite dish antenna is above the peak of the roof of the main building, or when it is located other than described in section 7.38.2, it shall be both screened and located to the satisfaction of the Development Authority.
- 7.38.4 No advertising other than the manufacturer's name and logo shall be allowed on a satellite dish antenna.
- 7.38.5 The illumination of a satellite dish antenna is prohibited.
- 7.38.6 A satellite dish antenna greater than 0.75 m (2.46 ft.) in diameter is an accessory use which requires an approved development permit.

7.39 Secondary Suites

- 7.39.1 Secondary suites shall only be located on a lot with a single detached dwelling, and shall:
 - (a) maintain a separation of three (3) residential lots without secondary suites that are adjacent and contiguous to each lot by a side yard;
 - (b) provide three (3) on-site hard surface parking stalls; and
 - (c) have a minimum parcel width of 10.5 m (34.4 ft.).
 - (d) In addition to the above, all secondary suites shall:

- (i) be located within a neighbourhood where the density of secondary suite development does not exceed 10% of single detached dwellings in the neighbourhood. This calculation shall be based on registered single detached dwelling lots. Neighbourhoods are defined in Part 12 – Secondary Suite Map;
- (ii) have a floor area that does not exceed the lesser of 83.6 m² (900 sq. ft.) or 75% of the ground floor area of the principal building;
- (iii) contain a maximum of two bedrooms;
- (iv) have a separate entrance from the principal dwelling; either from a common indoor landing or directly from the side or rear of the building;
- (v) not be used as a tourist home; and
- (vi) comply with the Province of Alberta's Building Code and Fire Code.

7.39.2 Tandem parking shall not be permitted as a method for meeting the parking requirements for a secondary suite.

7.39.3 A dwelling containing a secondary suite may also accommodate a Class A or B home occupation as described in section 7.22.

7.39.4 A parcel containing a secondary suite shall not be allowed to have a garage suite on the same parcel, except parcels which comply with the requirements of the Neighbourhood Redevelopment Overlay District. (Bylaw 1728/2017)

7.39.5 Notwithstanding section 7.39, secondary suites located in the Waterfront Direct Control District (W-DC) shall follow the requirements set out by the Waterfront Urban Design Guidelines.

7.40 Storm Drainage

7.40.1 All roof drainage from any building shall be directed onto the parcel upon which the building is situated by means of eaves troughs and downspouts, or other means to the satisfaction of the Development Authority.

7.41 Swimming Pools and Hot Tubs

7.41.1 Every swimming pool shall be enclosed by a 1.8 m (6 ft.) fence measured from grade or equivalent means of protection and shall be secured against entry by the public other than owners, tenants or their guests.

7.41.2 Every outdoor hot tub shall be secured against entry by the public other than owners, tenants or their guests.

7.41.3 Outdoor pools and hot tubs shall not be located within any front or required side yard.

-
- 7.41.4 All permanent in ground pools and in ground hot tubs shall require a development permit.

7.42 Temporary Buildings

- 7.42.1 The general purpose for permitting construction of a temporary building is to allow them in situations where a permanent building is planned but not yet erected or for special events of a short-term or seasonal nature.

- 7.42.2 A temporary building may not be erected without the permission of the Development Authority which may be granted as follows:

- (a) any district other than a residential district subject to the owner agreeing to remove such a building in accordance with the terms and conditions stipulated by the Development Authority including but not limited to:

 - (i) the size, height, and location of the building;
 - (ii) the appearance of the building;
 - (iii) the length of time within which the building may remain erected to a maximum of 12 months; and
 - (iv) the payment of a security, provided to the Town as a Letter of Credit or other form acceptable by the Town, in an amount equivalent to the cost of removing the building, to ensure its removal within 30 days of the expiry of the development permit.
- (b) a residential land use district provided that:

 - (i) a principal dwelling already exists on the site;
 - (ii) no such temporary building shall have a floor area exceeding 16.5 m² (177.6 ft²), be more than 3 m (9.8 ft.) in height or be set back less than 1.0 m (3.28 ft.) from the side property line; and
 - (iii) the owner enters into an agreement to remove such a building in accordance with the terms and conditions stipulated by the Development Authority;
 - (iv) there shall be no more than one temporary building per site
 - (v) a temporary building being used as a garage must be placed in the rear yard only;
 - (vi) in the case of a pre-manufactured temporary building, the elevations shall be subject to the approval of the Development Authority; and
 - (vii) the building is completed in accordance with terms stipulated by the Development Authority, provided that the temporary building permit shall expire at the end of 24 months and that such building will comply with this Bylaw and all other Town Bylaws.
- (c) Notwithstanding 7.42.2(b) a temporary building may be approved in a residential district for the purpose of supporting the construction and sales activities within the surrounding development area provided that:

-
- (i) the owner enters into an agreement to remove such a building in accordance with the terms and conditions stipulated by the Development Authority;
 - (ii) there shall be no more than one temporary building per parcel;
 - (iii) in the case of a pre-manufactured temporary building, the elevations shall be subject to the approval of the Development Authority; and
 - (iv) the building is completed in accordance with terms stipulated by the Development Authority, provided that the temporary building permit shall expire at the end of 24 months and that such building will comply with this Bylaw and all other Town Bylaws.

7.42.3 A temporary building's footprint shall be included in the site coverage calculation and shall not be permitted if it would cause the site to exceed the maximum site coverage regulation as provided in the district regulations.

7.43 Tourist Homes

7.43.1 A valid development permit and a business license issued by the Town are required to operate a tourist home.

7.43.2 Tourist home permits will initially be issued for 2 years, after which the applicant may reapply for a development permit that may not have a set time limit.

7.43.3 Tourist homes shall be limited to one rental unit per parcel.

7.43.4 Notwithstanding section 7.33, Objects Prohibited or Restricted in Yards, no recreation vehicle shall be used as accommodation for tourist home guests.

7.43.5 Garage suites and secondary suites shall not be used as accommodation for tourist home guests.

7.43.6 The maximum number of bedrooms allowed in a tourist home shall be five (5), and the number of approved bedrooms shall be stated on the development permit.

7.43.7 The operator of a tourist home shall provide the Town with the name and phone number(s) of at least one local person (adult) that is authorized to act on the owner/operator's behalf in the owner/operator's absence. The owner/operator is responsible for informing the Town of any changes in this information.

7.43.8 In residential districts tourist homes shall not display any sign other than one board or window sign not exceeding 0.3 m² (3.23 ft²) advertising the tourist home.

7.43.9 On-site parking shall be provided in accordance with the following:

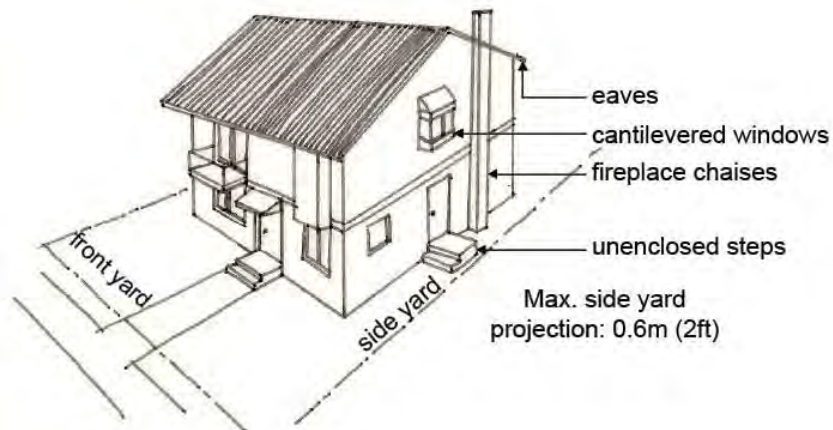

- (a) Where front yard parking is permitted, a maximum of 50% of the front yard may be used for driveways and parking stalls.
- (b) Parking stalls shall be provided at the following rate:
 - (i) A minimum of two (2) stalls for one – three bedroom units, three (3) stalls for four bedroom units, and four (4) stalls for five bedroom units.

7.43.10 Approval of a development permit does not exempt the owner/operator of a tourist home from complying with any federal, provincial, or other municipal legislation.

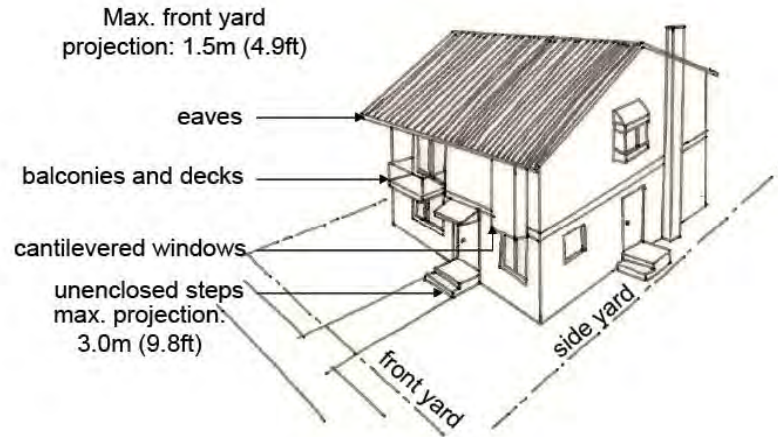

7.44 Yards

7.44.1 Projections Over Yards

- (a) In residential Districts the portion of and attachments to a main or accessory building which may project over or on a minimum yard are:
 - (i) **Side Yards** - Any projection, including unenclosed steps, uncovered decks, eaves, fireplace chaises and cantilevered windows, where in compliance with the Alberta Building Code, not exceeding 0.6 m (2 ft.), except in laneless subdivisions, where additional setbacks may apply;

- (ii) **Front Yards** – Any projection not exceeding 1.5 m (4.9 ft.) over or on the minimum front yard. Unenclosed steps, if they do not project more than 3.0 m (9.8 ft.) over or on a minimum front yard. The Development Authority may make exceptions for handicapped access ramps;

- (iii) **Rear Yards** – Any projection not exceeding 3.0 m (9.8 ft.) over the minimum rear yard, with the exception of lots 1-34, Block 1, Plan _____ (see map A2), which shall be allowed a projection not exceeding 2.0 m (6.56 ft.) over the minimum rear yard.

(Bylaw 1718/2016)

- (b) In all other Districts, the portion of and attachments to a main or accessory building which may project over or on a minimum yard are:
- (i) any projection not exceeding 1.5 m (4.9 ft.) into a front or rear yard;
 - (ii) any projection not exceeding 0.6 m (2 ft.) into a side yard;
 - (iii) any projection that is an exterior fire escape not exceeding 1.2 m (3.9 ft.) in width. A minimum clearance of 2.4 m (8 ft.) above grade must be maintained.
- (c) No portion of a building other than eaves, signs or canopies shall project into a public or private right-of-way.
- (d) Notwithstanding subsection (a) through (c) above, projections into a yard, except for eaves, shall not exceed a total of 3.0 m (9.8 ft.) over the minimum yard.

(Bylaw 1736/2017)

7.45 Zero Side Yard Developments

7.45.1 Except in the R1 Large Lot Residential District the Development Authority may reduce the side yard to zero metres where;

- (a) the owner(s) of the adjacent site(s) grant a 3.0 m (10 ft.) maintenance access and eave and footing encroachment easement on the adjoining site in perpetuity. The easement shall be to the satisfaction of the

Development Officer and shall be registered against the title of the said site.

- (b) in a laneless subdivision, adequate provision shall be made for rear access.

7.45.2 In the Waterfront Direct Control District (W-DC), zero side yard developments shall meet the requirements of the Town of Sylvan Lake Waterfront Urban Design Guidelines.

7.45.3 In the 50th Street Direct Control District (DC-50), zero side yard developments shall meet the requirements of the 50th Street Urban Design Guidelines.

7.46 Guidelines for other Land Uses

7.46.1 All uses which are not covered by specific regulations in Part 7 shall, in accordance with the following guidelines, be

- (a) Separated from adjacent uses by such a distance as to ensure that there will be no adverse impact upon or by those adjacent uses,
- (b) At a density which is consistent with that prevailing in the area, unless otherwise provided for in a statutory plan,
- (c) Set back from any parcel boundary abutting a road a sufficient distance to ensure that the development will not be visually intrusive, having regard to any possible changes in surrounding uses,
- (d) Of a height which will be consistent with that prevailing in the area,
- (e) developed in such a manner that there will be no adverse impact upon or by traffic on adjacent roads, and
- (f) developed in conformance with any applicable statutory plan policies.

PART 8 SIGNS

8.1 Intent

8.1.1 There are two main goals of this section. Firstly, it is meant to assist in preserving and enhancing the aesthetic qualities of the unique setting and natural environment that distinguishes the Town as a significant tourist and recreation destination within the region. The preservation of the visual environment from excessive and obtrusive signs is a matter of critical importance to the Town because of its economic reliance on the resort and tourism industry.

However, the importance of exterior signage to those businesses operating within the Town is duly recognized. Therefore the sign regulations shall strive to allow local businesses to advertise their presence to local citizens and tourists in a manner that balances the requirement to advertise with the overall aesthetics of the Town.

8.2 Sign Definitions

8.2.1 In this Bylaw:

(Bylaw 1736/2017)

8.3.2 All signage exceeding the requirements listed above shall require a permit and be at the discretion of the Development Authority.

8.4 Applying for a Sign Permit

8.4.1 Except as provided for in section 8.3, no person shall:

- (a) place, erect or use any sign; or
- (b) replace a sign with another sign;

without first obtaining from the Development Authority a sign permit in the form approved by the Development Authority.

8.4.2 An application for a sign permit shall be accompanied by the following:

- (a) name and address of the applicant;
- (b) name and address of the lawful owner of the sign (if different from the applicant);
- (c) location of the sign, including: legal and civic address; elevation drawing or site plan of the property showing: distance to front and side property lines; approaches or driveway locations; distances from existing building(s); and distances from existing signs;
- (d) amount of projection from the face of the building or above the building roof or parapet wall, if applicable;
- (e) height of sign above ground level;
- (f) height of a freestanding sign and a drawing showing the sign's foundation detail;
- (g) amount of projection over public property;
- (h) detailed illustration of the sign including:
 - (i) overall dimensions of the sign and the copy face(s);
 - (ii) design of the sign copy, including lettering and colours;
 - (iii) manner of illuminating the sign in any form of animated or intermittent lights; and
 - (iv) type of construction and finish to be utilized;
 - (i) such additional information as the Development Authority deems

-
- (j) necessary; and application fee.

- 8.4.3 An application for a sign permit shall not be considered complete and final and received for processing by the Town until the Development Officer determines that all the requirements of section 8.4.2 have been completed.
- 8.4.4 The Development Officer shall issue a sign permit if the application complies with the provisions of this Bylaw.
- 8.4.5 The Development Officer may:
 - (a) at their discretion, approve a sign permit application up to a maximum of 10% exceeding the limits of this Bylaw; or
 - (b) refer said application to the Municipal Planning Commission for its consideration.
- 8.4.6 The Municipal Planning Commission may approve a sign permit application exceeding the limits of this bylaw provided the applicant has demonstrated to the satisfaction of the Municipal Planning Commission that the purpose of the sign cannot be achieved by adhering to the applicable sign regulations.

8.5 General Provisions

- 8.5.1 The general regulations of section 8.5 apply to all signs erected in the Town. Where a discrepancy between these regulations and regulations pertaining to specific sign types is identified, the latter shall prevail.
- 8.5.2 A sign shall not conflict with the general character of the surrounding streetscape or the architecture of nearby buildings.
- 8.5.3 No approval shall be granted for a sign which will overhang a street, sidewalk or other Town property until the applicant enters into an encroachment agreement with the Town.
- 8.5.4 Where a sign projects over public property, a minimum clearance of 2.5 m (8.2 ft.) above ground level shall be maintained.
- 8.5.5 A larger clearance of 4.6 m (15 ft.) shall be maintained where a sign is located or projects into or over a driveway or other area of vehicle movement.
- 8.5.6 No person shall erect, construct or maintain a sign or sign structure so as to create a hazard for pedestrian or vehicular traffic.
- 8.5.7 A sign shall not obstruct the view of or be liable to be confused with any authorized traffic sign, signal or device or otherwise pose a potential hazard to traffic.

-
- 8.5.8 A sign shall not display lights which may be mistaken for the flashing lights customarily associated with danger or those used by police, fire, ambulance or other emergency vehicles.
- 8.5.9 The owner of a sign shall be responsible for maintaining their sign in a proper state of repair and shall:
- (a) keep it properly painted at all times;
 - (b) ensure that all structural members and guy wires are properly attached to the sign and building and meet proper safety standards;
 - (c) clean all sign surfaces as it becomes necessary; and
 - (d) ensure that interior supports and lighting are concealed from public view at all times.
- 8.5.10 With the exception of billboard signs or freestanding signs used solely by community organizations, the subject matter of all signs shall relate to the use or ownership of the property on which the sign is located.
- 8.5.11 Any event to be held on Municipal property, in which a valid special event permit or a rental agreement has been issued by the Town, shall be permitted to have signage associated with the event located on Municipal property.
- 8.5.12 Where a discrepancy between these regulations and the Town of Sylvan Lake Waterfront Urban Design Guidelines occur, the latter shall prevail.
- 8.5.13 Where a sign no longer fulfils its function under the terms of this Bylaw, the Designated Officer may resolve to order the removal of the sign and the lawful owner of the sign, or where applicable the registered property owner, shall upon resolution:
- (a) remove the sign and all related structural components within 30 days, or a reasonable time frame established by the Designated Officer, from the date of receipt of such notice;
 - (b) restore the immediate area around the sign to the satisfaction of the Town; and
 - (c) bear all costs related to such removal and restoration.

8.6 Changeable Copy

- 8.6.1 Subject to the provisions of this part, manual changeable copy as part of a sign application shall be permitted:
- (a) on signs related to public or quasi-public uses; and
 - (b) on all properties containing approved commercial uses with the exception of Home Occupations:

-
- 8.6.2 Subject to the provisions of this part, automatic changeable copy as part of a sign application shall be permitted on signs related to public or quasi-public uses.
- 8.6.3 Notwithstanding sections 8.6.1 and 8.6.2, changeable copy displaying only time and temperature and/or gas prices shall be allowed on signs in all commercial and industrial districts.
- 8.6.4 Only one sign per business shall contain changeable copy.
- 8.6.5 Changeable copy may form up to 50% of the copy area of a sign, excluding portable signs which may contain up to 100% changeable copy.
- 8.6.6 Changeable copy signs shall:
- (a) be restricted to local and cooperative advertising only with the exception of not-for-profit organizations and community sponsored events; and
 - (b) incorporate covering(s) that will protect the changeable copy and associated supports from elements such as rain, snow and wind in order to prevent deterioration of the sign copy and accumulation of dust and dirt within the copy's supporting elements.

8.7 A-Board Signs

- 8.7.1 Subject to the provisions of this part, A-board signs shall be permitted on all properties containing approved commercial uses with the exception of:
- (a) Home Occupations.
- 8.7.2 A-board signs shall not be permitted on a site that also contains a portable sign.
- 8.7.3 Only one sign per business per street frontage shall be displayed.
- 8.7.4 For businesses with zero front setbacks, one sign may be placed on Town property adjacent to the front property boundary provided that the sign is:
- (a) located as close as possible to the front of the building; or
 - (b) the sign is placed wholly within 1.0 m (3 ft.) of the curb placed as close as practical to any parking meter, street tree, garbage bin, or other piece of street furniture where available in front of the business in order to maintain a minimum 2.0 m width for pedestrian passage.
- 8.7.5 A-Board signs shall:
- (a) be on display only during those hours that the business is open;
 - (b) only display local and cooperative advertising;

- (c) be of a size not exceeding 0.61 m (2 ft.) wide by 0.92 m (3 ft.) high;
- (d) be of a painted finish, be neat and clean, and be maintained in such condition; and
- (e) not use fluorescent, 'day-glo', luminous or reflective lettering or backgrounds.

8.8 Awning and Canopy Signs

8.8.1 Subject to the provisions of this part, awning and canopy signs shall be permitted on all properties containing approved commercial or industrial uses with the exception of:

- (a) Home Occupations.

8.8.2 Awnings shall:

- (a) only display local advertising;
- (b) be constructed of durable, colour-fast material and relate to the architectural design of the building to which they are attached; and
- (c) be tightly stretched over a rigid frame in order to minimize the accumulation of dirt through sagging, and also to improve their neat appearance.

8.8.3 No person shall erect an awning, canopy or under awning/canopy sign unless such sign:

- (a) is at a clearance of not less than 2.5 m (8.2 ft.) from the grade of the sidewalk;
- (b) does not project from the building to a point greater than 0.6 m (2 ft.) from the face of the curb.

8.8.4 Awning sign copy may be located on a fringe, provided that the fringe is a maximum 0.25 m (0.8 ft.) in height and spans the full body width of the awning.

8.8.5 Awning and canopy sign copy, excluding under awning/canopy signs, shall be restricted to 33% of the surface area of the awning and fringe in recognition that their primary purpose is to provide shelter from the sun, rain and snow.

8.8.6 Awning and canopy signs shall not be internally lit.

8.8.7 Under awning/canopy signs are permitted provided they:

- (a) are oriented perpendicular to the building;

- (b) do not extend beyond the awning or canopy;
- (c) maintain a vertical clearance from the ground of 2.5 m (8.2 ft.); and
- (d) are not internally lit.

8.9 Billboard Signs

8.9.1 Subject to the provisions of this part, Billboard signs shall be permitted in:

- (a) industrial districts.

8.9.2 The maximum dimensions of a billboard shall be 3.1 m (10 ft.) high by 6.10 m (20 ft.) long.

8.9.3 The maximum height above grade of a billboard shall be 4.5 m (14.76 ft.).

8.9.4 Illumination of billboards shall be restricted to gooseneck type lighting that directs light downward toward the sign.

8.10 Board Signs

8.10.1 Subject to the provisions of this part and section 8.3.1 (g) and (h), board signs shall be permitted on all properties.

8.10.2 The materials and colour scheme of board signs shall be chosen to complement rather than conflict with the architecture and colour scheme of the building façade.

8.10.3 Board signs shall:

- (a) only display local advertising;
- (b) be located next to an entry;
- (c) not extend more than 1.8 m (6 ft.) above grade; and
- (d) shall not be internally lit.

8.10.4 The maximum area of a board sign shall be:

- (a) 0.3 m² (3.2 ft²) when identifying a private residence or home occupation; and
- (b) 0.6 m² (6.5 ft²) for all other purposes.

8.11 Fascia Signs

8.11.1 Subject to the provisions of this part, fascia signs shall be permitted on all properties containing approved commercial, industrial, and public and quasi-public

uses with the exception of:

(a) Home Occupations.

- 8.11.2 Fascia signs shall only display local advertising.
- 8.11.3 The materials and colour scheme of fascia signs shall be chosen to complement rather than conflict with the architecture and colour scheme of the building façade.
- 8.11.4 Fascia signs shall not be located above any portion of a street or project over public property unless there is a minimum clearance from grade of 2.5 m (8.2 ft.) and a maximum projection of 0.3 m (1 ft.).
- 8.11.5 No fascia sign shall be higher than the eave line of the building.
- 8.11.6 A fascia sign shall not cover more than 20% of the visible area of the façade of each wall of the building on which it is located.
- 8.11.7 Fascia signs shall not obscure significant architectural elements of a building including but not limited to windows, doorways, sills, moldings, and cornices.
- 8.11.8 All fascia signs shall be separated from adjacent fascia signs by a minimum of 0.6 m (2 ft.).
- 8.11.9 In addition to 8.11.1 – 8.11.8, fascia signs located in the Waterfront Direct Control district *and the Lakeshore Direct Control district* shall:

- (a)** be no higher than the second floor windows or the equivalent height in the case of a sign attached to a windowless wall, on a 2 storey or higher building unless otherwise approved by the Development Authority; and
- (b)** not be internally lit. Instead, gooseneck lighting where the light shines downward onto the sign shall be used.

8.12 Freestanding Signs

- 8.12.1 Subject to the provisions of this part, freestanding signs shall be permitted in all commercial, industrial, residential, public facility, future designation, recreation facility and direct control districts, with the exception of the following:

- (a) Waterfront Direct Control District (WDC);
- (b) Lakeshore Direct Control District (LDC);
- (c) 50th Street Direct Control District (DC-50).

8.12.2 For freestanding signs in commercial, industrial, public facility, future designation, recreation facility, and direct control districts where the purpose is to identify a single tenant:

- (a) only one sign shall be permitted on a single parcel;
- (b) the maximum height shall be 7.5 m (24.6 ft.); and
- (c) the maximum sign area shall be 9 m² (97 ft²) per face with a maximum of two faces per sign.

8.12.3 For freestanding signs in commercial and industrial districts where the purpose is to identify multiple tenants on a single parcel:

- (a) only one freestanding sign per street frontage shall be permitted;
- (b) the maximum height shall be 9.1 m (30 ft.); and
- (c) the maximum area shall be 15 m² (160 ft²) per face with a maximum of two faces per sign.

8.12.4 Notwithstanding sections 8.12.2 & 3, for freestanding signs located in Neighbourhood Commercial Districts (CN):

- (a) only one sign shall be permitted on a single parcel;
- (b) the maximum height shall be 5.5 m (18 ft.);
- (c) the maximum area shall be 5 m² (54 ft²) per face with a maximum of two faces per sign;
- (d) backlighting shall be restricted to the illumination of individual letters, symbols and borderlines contained on a sign face, with the remainder of the sign area being opaque such that no light is emitted; and
- (e) automatic changeable copy is prohibited, except to display time and temperature or gas prices.

8.12.5 In residential districts:

- (a) a maximum of one freestanding sign per street frontage shall be permitted on sites containing 10 or more residential units;
- (b) the maximum height shall be 3.0 m (10 ft.);
- (c) the maximum area shall be 3.7 m² (40 ft²) per face with a maximum of two faces per sign;
- (d) sign copy shall be restricted to the name and address of the building; and

-
- (e) signs may not be internally lit. External lighting shall be directed so that it only lights the surface area of the sign.
- 8.12.6 Notwithstanding 8.12.1 freestanding construction signs shall be permitted on all properties, subject to the provisions contained in herein. Freestanding construction signs shall be permitted to be erected for a period of time prior to redevelopment of a site, new construction, or development of a new subdivision until a time specified in the development permit that reflects the date when the project is expected to be substantially complete:
- (a) A maximum of one sign per street frontage shall be permitted
 - (b) Sign(s) shall be located entirely on private property;
 - (c) Sign(s) shall be self-supporting freestanding signs constructed using durable, weather resistant material;
 - (d) The maximum height shall be 3.6 m (12 ft.);
 - (e) The maximum copy area of each sign shall be 5.5 m² (60ft²);
 - (f) Construction signs shall only display the name of the developer(s), name of development, symbols, or a map of the development;
 - (g) The use of fluorescent, 'day-glo', reflective or luminous lettering or backgrounds shall not be permitted;
 - (h) signs may not be internally lit. External lighting shall be directed so that it only lights the surface area of the sign; and
 - (i) Notwithstanding (d) and (e), all signage proposed for new neighbourhoods, in association with an approved outline plan, shall have a maximum height of 4.6m (15ft) and a maximum copy area of 12.1 m² (130 ft²).
- 8.12.7 All supports of freestanding signs shall be placed upon private property unless otherwise stated.
- 8.12.8 No part of a freestanding sign shall project over the property line.
- 8.12.9 Freestanding signs shall not be placed so as to interfere with vehicle parking, traffic circulation, or traffic sightlines and visibility.
- 8.12.10 The colour scheme and architectural detail of a freestanding sign shall relate to the onsite building(s).
- 8.12.11 A minimum distance separation of 50 m (164 ft.) shall be maintained between freestanding signs. However;
- (a) distance requirements between freestanding signs shall not apply to entrance or exit signs used for the purpose of directing traffic provided:
 - (i) Those signs do not display any advertising message, excluding a logo; and
 - (ii) The sign area does not exceed 1.4 m² (15 ft²).
- 8.12.12 A maximum of one freestanding sign per street frontage shall be permitted on a site.

8.13 Neighbourhood Identification Signs/Subdivision Entrance Signs

8.13.1 A neighbourhood identification sign may be erected by a developer at the entrances to a subdivision, subject to the developer entering into a Development Agreement to the satisfaction of the Town and dealing with the precise location, number, size, design and character of the sign and making provision for the perpetual maintenance and care of the sign.

8.13.2 Neighbourhood identification signs shall:

- (a) be for neighbourhood identification purposes only;
- (b) display no advertising; and
- (c) be constructed of maintenance free material wherever possible.

8.13.3 A neighbourhood identification sign shall not:

- (a) encroach upon utility rights-of-way; or
- (b) affect traffic safety.

8.14 Painted Wall Murals

8.14.1 Subject to the provisions of this part, painted wall murals shall be considered discretionary on all properties containing approved commercial, industrial, and public and quasi-public uses, with the exception of home occupations.

8.14.2 Painted Wall Murals shall not display any form of advertising.

8.14.3 Painted Wall Murals shall only be located on side or rear walls which are visible to the community. This may include walls along pedestrian walkways, leading into alleys or parking areas, or those viewed from a street or roadway.

8.14.4 Painted Wall Murals shall be decorative or artistic in nature, displaying a scene or picture, to the satisfaction of the Development Authority.

8.14.5 The Development Authority shall have regard to the subject matter and imagery of the mural, ensuring that it enhances the area in which it is being placed and is appropriate for the location in which it is being proposed.

8.14.6 The Development Officer or Development Authority may refer the proposed mural application to an additional committee or professional for third party review and recommendation prior to making a decision on the application.

8.14.7 Additional information may be requested by the Development Authority, Development Officer, or third party review including but not limited to:

- (a) the grade and quality of paint and finishing coats to be used for the mural

- production;
- (b) previous examples of the artist's work;
- (c) the expected life of the mural and a plan outlining how it will be maintained for that time period.

8.15 Painted Wall Signs

8.15.1 Subject to the provisions of this part, painted wall signs shall be considered discretionary on all properties containing approved commercial, industrial, and public and quasi-public uses, with the exception of home occupations.

8.15.2 Painted Wall Signs shall:

- (a) be decorative in nature;
- (b) only contain local advertising, and may include the name, logo, or slogan for the business on which it is located;
- (c) only be permitted to have 20% or less of the area of the sign containing advertising in the form of written copy;
- (d) be located on a side or rear facing wall only.

8.15.3 The Development Authority shall have regard to the subject matter and imagery of the sign, ensuring that it enhances the area in which it is being placed and is appropriate for the location in which it is being proposed.

8.15.4 The Development Officer or Development Authority may refer the proposed sign application to an additional committee or professional for third party review and recommendation prior to making a decision on the application.

8.15.5 The Development Authority may require that the sign be periodically repainted, or if it no longer fulfills its original purpose, the Development Authority may require that the sign be refinished to its satisfaction.

8.16 Portable Signs

8.16.1 Subject to the provisions of this part, portable signs shall be permitted in all commercial, industrial, public facility and direct control districts with the exception of the following:

- (a) Waterfront Direct Control District (WDC);
- (b) Lakeshore Direct Control District (LCD); and
- (c) properties containing approved Home Occupations.

8.16.2 Notwithstanding section 8.16.1, banners signs shall be permitted in all commercial, industrial, public facility and direct control districts.

-
- 8.16.3 Intent:
- (a) Portable signs are intended for temporary on site advertising relating to the commercial activities of the landowner or tenants. Portable signs may only contain local and cooperative advertising with the exception those that have been issued a valid special event permit or rental agreement by the Town; and
 - (b) On sites containing multiple tenants, the portable sign owner or licensee, not the Town will determine which tenant(s) shall have the benefit of the portable sign;
- 8.16.4 All portable signs shall be required to display a permit sticker in a conspicuous location that contains the:
- (a) permit number;
 - (b) date the permit was issued;
 - (c) civic address identifying the permitted location of the sign; and
 - (d) permitted dimensions of the sign.
- 8.16.5 The maximum length of a permit for a portable sign shall be 90 days. The maximum duration of display per business for each portable sign shall be 90 days twice a year provided, however, that no portable sign shall remain at one location for more than 90 consecutive days at a time. A business shall remain free of portable signs for a minimum of 30 days before a further permit for such site can be issued. No permit may be applied for more than 30 days in advance of the date of placement.
- 8.16.6 The maximum length of a permit for inflatable or banner signs shall be 28 consecutive days or a maximum of 28 days over an entire 365 day (1 year) period. The applicant shall indicate on the sign application those dates that the inflatable or banner sign shall be erected.
- 8.16.7 A portable sign shall be placed wholly on the property to which the sign applies.
- 8.16.8 No portable sign shall be placed on any Town owned property, except those that have been issued a valid special event permit or rental agreement by the Town and all locations and signage types related to said event have been approved by the Development Authority.
- 8.16.9 A portable sign may be allowed in a setback area as established by this bylaw.
- 8.16.10 No portable sign shall be located closer than 50 m (164 ft.) to any other portable sign.
- 8.16.11 No portable sign shall be located on a site which contains an A-board sign.
- 8.16.12 Portable Signs shall adhere to the following:
- (a) The sign area shall not exceed 3.3 m² (36 ft²) per face, with a maximum of

-
- two faces per sign permitted;
 - (b) No portable sign shall exceed 2.0 m (6.56 ft.) in height from grade;
 - (c) No portable sign shall be illuminated or employ any flashing or sequential lights or any mechanical or electronic device to produce or simulate motion;
 - (d) A portable sign shall not interfere with pedestrian and/or vehicular traffic;
 - (e) No portable sign shall be located within 3.0 m (9.8 ft.) of any access/egress to/from a property or within 10.0 m (33 ft.) of any intersection;
 - (f) A portable sign must be stabilized but shall not use unsightly or potentially hazardous methods. The means by which stability is to be provided shall be included as part of the permit application. An inflatable sign may, however, use guy wires;
 - (g) A portable sign in use shall at all times be maintained in good condition and, specifically, shall contain lettering and signage which is secure and complete. Any damaged or missing signage must be repaired within 48 hours of knowledge of same coming to the attention of the permit holder; and

8.16.13 Notwithstanding 8.16.12 (b), in addition to the regulations pertaining to portable signs, inflatable signs shall not exceed the maximum free standing sign height allowable for the district, measured from grade to the top of the inflatable sign.

8.16.14 In addition to the regulations pertaining to portable signs, banner signs shall:

- (a) only be attached to a permanent structure located on the site;
- (b) not exceed 10% of the gross area of the face of the structure to which it is attached;
- (c) not obscure any significant architectural features or windows of the structure to which it is attached; and
- (d) be maintained in good condition and promptly removed if damaged.

8.17 Post Signs

8.17.1 Subject to the provisions of this part, post signs shall be permitted in all commercial, industrial, public facility, recreation facility and direct control districts.

8.17.2 Only one sign per business per street frontage shall be displayed.

8.17.3 Post signs shall only display local advertising.

8.17.4 Post signs shall:

- (a) be located in a landscaped front or side yard;
- (b) have a maximum post height of 2 m (6.56 ft.) and the horizontal arm shall not exceed 1.67 m (5.5 ft.) in height;

- (c) have a maximum copy area of 0.5 m² (5.4 ft²);
- (d) be of a decorative nature, having materials and a colour scheme that complement the architecture and colour scheme of the building façade;
- (e) not be internally lit;
- (f) be permanently affixed to the ground

8.18 Projecting/Blade Signs

8.18.1 Subject to the provisions of this part, projecting signs shall be permitted in all commercial, industrial, public facility, and recreational facility districts.

8.18.2 Projecting and blade signs shall only display local advertising.

8.18.3 No part of a projecting sign shall be less than 2.5 m (8.2 ft.) above finished grade. The top of a projecting sign may be no more 3.6 m (12 ft.) above grade. However, a projecting sign may not project above the eave line of a building.

8.18.4 The near edge of a projecting sign shall be no more than 0.3 m (1 ft.) from the wall of the building to which the sign is attached.

8.18.5 The maximum area of a projecting sign in the W-DC district shall be 0.6 m² (6 ft²).

8.18.6 The maximum area of a projecting sign in any other district shall be 0.83 m² (9 ft²).

8.18.7 Only one projecting sign per street frontage per business may be erected.

8.18.8 The incorporation of flashing or intermittent lighting with projecting signs is prohibited. Instead, backlighting or gooseneck style lighting angled down onto the sign face may be used.

8.19 Roof Signs

8.19.1 Subject to the provisions of this part, roof signs shall be permitted in all industrial districts.

8.19.2 Roof signs shall only be allowed provided the Town is satisfied that the purpose of the sign cannot be

achieved by another type of sign.

8.19.3 Roof Signs shall:

- (a) limit copy to local advertising only;
- (b) have a maximum area of 9 m² (97 ft²), exclusive of support mechanisms, provided the support mechanisms do not contain any copy;
- (c) not exceed the maximum height allowable for buildings within the district;
- (d) utilize structural support elements that are designed in a manner such that they are concealed from view; and
- (e) only utilize lighting that is directed downward onto the sign and does not incorporate any form of intermittent or flashing lights.

9.5 NEIGHBOURHOOD REDEVELOPMENT OVERLAY DISTRICT (NRO)

General Purpose:

To ensure that, within the Neighbourhood Redevelopment Strategy Area:

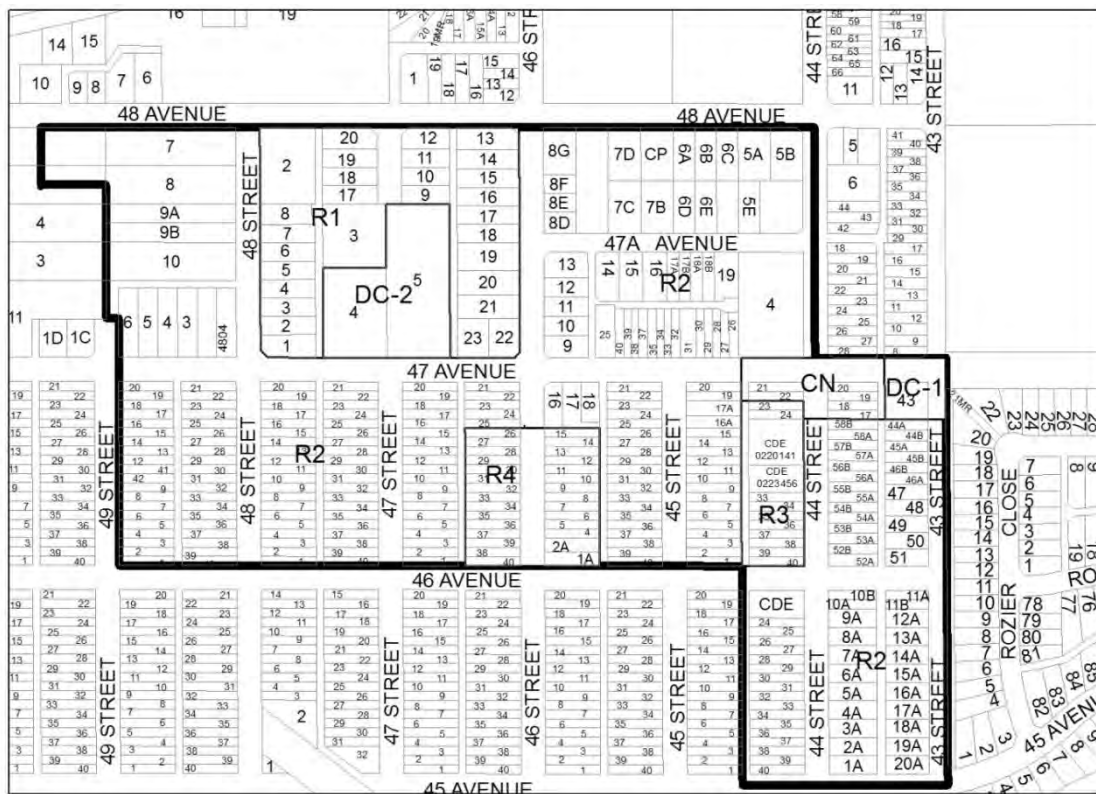

- a) New residential development is compatible with the community character and streetscape, and the existing neighbourhood character is maintained; and
- b) New residential development is of high quality design and craftsmanship.

Application:

This overlay district applies to all areas designated R2 within the area as shown in the Neighbourhood Redevelopment Overlay District Map below, for which any of the following is proposed:

- a) New residential development resulting in the creation or replacement of one or more dwelling units; or
- b) Subdivision or consolidation of existing parcels.

The regulations contained within this district shall be supplementary to those in the Medium Density Residential District (R2) and if a conflict arises between the regulations contained within this overlay district and other parts of the Bylaw, the overlay district shall prevail.

Neighbourhood Redevelopment Overlay District Map

Permitted Uses: As listed in the underlying district

Discretionary Uses: As listed in the underlying district

District Regulations:

Minimum Parcel Area: Detached dwellings:
Interior parcels 348.4 m² (3750 ft²)
Corner parcels 418.1 m² (4500 ft²)

Density: Density Zone A – Maximum 40 dwelling units/ha (calculated based on titled parcel area)

Density Zone B – Maximum 75 dwelling units/ha (calculated based on titled parcel area)

Secondary Suites and Garage Suites:

1. In addition to the sites permitted by section 7.20.3, garage suites may be considered on parcels:
 - a) Where no rear access is available, provided the parcel area is more than 557.4 m² (6000 ft²) and access satisfies the Alberta Fire Code;
 - b) With rear lane access and two street frontages (ie. corner parcels); or
 - c) With rear lane access and are located across a rear lane from a parcel designated DC-1 or DC-2.

-
2. A secondary suite and a garage suite may be considered on the same parcel provide the parcel is more than 930 m² (10,010 ft²).

Parking and Access:

1. Parking for all development is encouraged to be located in the rear yard accessed via a lane or side driveway. For development consisting of more than two dwelling units, a front driveway providing parking and garage access for no more than two units may be considered.
2. Required parking for all development shall be hard surfaced.
3. Hard surfaced walkways shall be provided from required parking areas to each associated dwelling access.
4. Where a front garage is proposed, it shall be integrated into the front façade of the building, and shall not protrude more than 5.0 m (16.4 ft.) beyond the front of the building.
5. To preserve available street parking and to support the current neighbourhood character, front driveway widths shall be limited to 8.0 m (26.2 ft.) at the property line. In the case of duplex or multi-unit development, one 8.0 m (26.2 ft.) driveway shall be permitted servicing multiple units.
6. Site redevelopment of existing multi-unit parcels involving building expansion or replacement shall require parking to be located at the rear or side of the parcel.

Building Design:

1. Corner lot development should incorporate design elements such as corner bay windows, wrap-around verandas, and gables and dormers with equal treatment being given to each street fronting elevation.
2. Outdoor amenity space shall be provided for all dwelling units, including secondary suites, garage suites, and multi-unit developments. This space shall be clearly delineated and may include balconies, decks and patios. Outdoor amenity space shall be no less than 4.5 m² (48.43 ft²).
3. Except for apartments, all developments shall display distinct entrances for each unit and shall not be symmetrical. Each unit shall display significant architectural features such as varying rooflines, entrances, window placement and design details.
4. To minimize visual impact and maximize integration with the existing neighbourhood, new development should use durable, quality building materials, including accent materials such as wood and stone, that are similar or complimentary to those found within the neighbourhood.

-
5. All development, including multiple narrow lot homes adjacent to each other, shall be designed to be architecturally distinct using different rooflines and facades, including type and placement of windows, doors and entryways.
 6. Front porches and verandas are encouraged as a design feature on all new development.
 7. To ensure privacy of adjacent dwellings, all new development should:
 - a. Place windows in offset locations from those of adjacent structures;
 - b. Utilize clerestory windows and sight obscuring glass or window film where placement concern arises;
 - c. Place larger windows facing a lane, flanking street or the larger of any side yard;
 - d. Strategically place trees and plantings to screen views; and
 - e. Orient balconies and decks towards a lane or flanking street as opposed to side parcel boundaries.
 8. To maintain the privacy of neighbouring yards, balconies and decks provided above the ground floor shall be inset or recessed into the building façade and be designed as an integral part of the building. For rear decks above the ground floor, screening shall be utilized if the deck is not recessed.

Landscaping:

1. Landscaping shall be provided in accordance with section 7.24, and in addition shall consist of a minimum of one tree per dwelling unit located in the front yard for developments of three units or less. This shall include the consideration of any mature trees that are lost because of the project. For larger multi-unit developments, a portion of the required trees may be considered in the side or rear yards.
2. No existing trees located within the front yard of a parcel may be removed to accommodate new development or driveways unless approved as part of a development permit application.
3. Hard surfacing shall not cover more than 40% of the front yard setback area.
4. Fencing and landscaping may be required within the rear yard of multi-unit developments to enhance privacy of adjacent parcels.
5. Development consisting of more than four (4) dwelling units shall require a landscape plan, as described in section 7.24.28, to be submitted as part of the development permit application.
