To be sure that you have the most current calendar, please check the academic calendar yourself, as **the above mentioned dates are under reservation!** When booking your flights, please check the dates. Any doubts? Contact the International Centre. Class or exam schedules can not be adjusted to suit a late arrival or an early departure. **We do NOT facilitate (resit) exams abroad.**
2. \*The final exams and resit exams planning applies only to the incoming students who selected a minor or courses from the Amsterdam School of International Business (AMSIB). For specific details on the academic planning of finals of each study programme for Spring 2017. See [here](#).
3. Please be aware that it is NOT possible to start the study programme two weeks after the start of the lectures, as it is too late to participate.
4. Please note that the rental period for the housing is for a fixed period. It is not possible to get a refund if you arrive in Amsterdam later, or if you return to your home country before the end of your rental period. Signing the rental contract shows that the student is in agreement with the rental conditions.
