

FACULTY OF  
ACADEMIC  
AND CAREER  
ADVANCEMENT

**LISA MELTON**

I have spent my life in a bitter war with Math. This all changed when I joined the ABE program at KPU. With the relentless patience and assistance of my professors, my Math cloud lifted. Suddenly I was really good at Math. This realization has changed me; now I believe in myself and my ability to overcome challenges and old paradigms.

*“I believe in myself and my ability to overcome challenges and old paradigms.”*
