

Program/Course Health & Safety Form

Date: 3/9/2021	Campus: KPU Tech (Cloverdale)
Faculty: Trades and Technology	Program: Plumbing Level 2
Date of first group of students on campus: 3/15/2021	Date of first group of students to leave campus: 5/7/2021
Date of second group of students on campus (if needed):	Date of second group of students to leave campus (if needed):
Number of students anticipated on campus and on which days: <i>(list days of the week, hours, exact dates, and room #'s)</i> 8 Students March 31, April 1, 26,27,28,29,30 Shop: 1740 Classroom: 2112	Number of employees on campus to support this program and on which days: One instructor and one support staff Instructor Name: Rob Lafreniere
Rationale for why students need to be on campus: KPU Faculty have indicated a total of 48 hours of practical training is required on campus to ensure requirements for The Industry Training Authority (ITA) are met for Level 2 Plumbers: • Interpret Drawings and Specifications • Use Codes, Regulations and Standards • Perform Piping System Layout • Install Sanitary Drainage Systems • Install Piping and Components for Hydronic Systems • This is necessary to meet ITA requirements for level 2	
Have you informed the Registrar of the scheduling requirements for this course? Yes/no and when informed? The Registrar will be informed when we consult Dr. David Florkowski.	

PPE requirements for students, faculty, and staff (quantity needed).

- a) Work gloves – students will provide their own
- b) Safety glasses – students will provide their own
- c) Face mask – students will be asked to bring their own however KPU will provide disposable face masks should students not have their own or they require one for any reason. (Students are required to wear non-medical masks in the classroom even if proper social distancing is maintained.)

Has there been consultation with the Faculty OH&S Committee or the instructor? (provide details).

All instructors and responsible leaders have been consulted on the latest Covid-19 procedures and regulations as set out by KPU, WorkSafeBC, and BC's Chief Public Health Officer.

Students must conduct Covid-19 self-assessment prior to arriving on campus and attending class.

Safety Plan for Employees and students:

- Employees and students will be following the physical distancing guidelines.
- Directional arrows and stanchions are in place to clearly designate pedestrian traffic flow.
- The room occupancy has been setup to allow for proper physical distancing guidelines.
- If anyone is feeling unwell they are to stay home and monitor their symptoms and seek a medical professional if necessary.
- All students / employees are asked to ensure their hands have been disinfected or washed before entering the room.
- Students have access to disinfectant spray should they want to disinfect their own stations, tools, and or desks outside of the regular cleaning operations.
- All students and employees will follow the latest COVID precautions, guidance, expectations, and restrictions as set out by KPU, WorkSafeBC, and BC's Chief Public Health Officer. Students and employees must wear a cloth medical or cloth non-medical mask in indoor common spaces on all KPU campuses. This includes but not limited to: classrooms, hallways, corridors, washrooms, lounges, elevators, atria and study areas, the Libraries, and the Bookstore. When you are outdoors on campus, please wear a mask unless you can guarantee that you can stay at least 2m/6ft away from others at all times.
- All KPU employees are required to complete the COVID-19 Self-Assessment prior to their arrival on campus.

Have you consulted with Dr. David Florkowski, AVPA before submitting this request?
Dr. Florkowski was consulted on August 12, 2020

Submitted by: William Alvarado

Insert sketch(es) of classroom arrangement and “flow of students” here.

Tables are highlighted as yellow and pink rectangles	There will only be one group of students in at a time, each group is assigned a different color. Each student has 10 feet of separation between desks.
The directional arrows denote the flow of the classroom →	Each lane is 5 feet wide

COVID 19-Classroom/Shop/Laboratory Safety Plan Checklist

Department:

Campus:

Completed by:

Date:

Overview

- The following checklist must be completed for spaces being used for face to face activities/instruction.
- The intent is to ensure that minimum requirements are being considered to maintain safe spaces for employees and students in our classrooms, shops and laboratories.
- This checklist is by no means exhaustive and there may be other measures unique to your spaces that may need to be considered in developing your classroom/shop/laboratory safety plan.
- The requirements identified are consistent with the current guidelines provided by the Provincial Health Officer, BC Center for Disease Control and WorkSafe BC.

When completing this checklist describe the implementation details for each item indicated as “yes”.

1. Orientation, information and training on the Department’s Covid-19 Safety plan has been provided to employees and students?

Yes

Not Applicable

2. Handwashing posters posted in all washrooms?

Yes

Not Applicable

3. Students/employees are reminded to practice good hygiene during class and to wash hands immediately before and after class?

Yes

Not Applicable

4. Nearest handwashing sink located, is stocked and has been identified to students?

Yes

Not Applicable

5. Students have been advised that no eating/drinking is permitted during classes in classroom/shop/lab?

Yes

Not Applicable

6. Physical distancing posters posted in classrooms/shops/labs and throughout the common areas?

Yes

Not Applicable

7. The maximum number of persons allowed in a space has been determined in order to maintain 2-meter physical distancing?

Yes

Not Applicable

8. Occupancy limit signage posted on door?

Yes

Not Applicable

9. Directional arrows to support flow of people throughout the teaching space are in place?
Provide a floor plan with your plan indicating direction of flow of people, location of workstations, entry and exit points.

Yes

Not Applicable

10. If applicable, Facilities has been notified of additional cleaning needs for building/classrooms/shop/lab?

Yes

Not Applicable

11. If applicable, Facilities has been notified of additional signage required for the classroom/shop/lab?

Yes

Not Applicable

12. Students have been provided instruction on where to spend their break time? (No social gatherings, leave the building, in their cars)

Yes

Not Applicable

13. Classroom/shop/lab set up to allow for 2 meters physical distancing between all occupants?

Yes

Not Applicable

14. Demonstration and work areas set-up to allow for 2 meters physical distancing?

Yes

Not Applicable
