Customized Short-Term Programs

Welcome to Kwantlen Polytechnic University's Customized Short-Term Programs! Crafted with precision by KPU's International Department in collaboration with various departments, our programs are designed to cater to the individualized needs of aspiring learners. Whether you are looking to enhance your practical **English language proficiency, acquire professional skills training, or address specific educational requirements**, KPU is here to be your partner in success.

In alignment with KPU's dedication to cultivating global citizens, our program goes beyond conventional education. It is meticulously structured to empower participants with the essential tools to excel in an interconnected world, fostering intercultural understanding through hands-on learning. Participants gain firsthand cultural experiences in the vibrant city of Vancouver, Canada.

What sets our program apart is its flexibility—offering customizable durations, themes, and additional services tailored to meet the unique needs of each client group, providing students with skills to succeed in their careers. Your personalized educational adventure awaits!

The cost for these short-term customized programs varies depending on the schedule and services included.

We require ample time to create your customized program ensuring every detail is tailored to perfection.

Contact us at shorttermkpu@kpu.ca to discuss a customized program for you.
