# What Did Our Students Say?

“The balance between classes and free time was just right. The content of the classes was practical, including presentations and interviews, which was beneficial.”  
Short-term Program Student (Aug 2023)

“I was really taken care of by my buddy... Becoming friends with my buddy and spending time together made me realize the joy of communicating in English, and it strongly motivated me to improve my English skills further... I really can’t thank my buddy enough.”  
Short-term Program Student (Aug 2023)
