

PGWP Eligible Programs at KPU

We understand that planning your education in Canada as an international student involves several important decisions, one of the most crucial being ensuring your program qualifies for Post-Graduation Work Permit (PGWP) eligibility. This permit can open doors for you to work in Canada after completing your studies. To help you choose the right program, we've compiled a list of KPU programs that align with the eligible CIP codes based on the latest PGWP guidelines from Immigration, Refugees, and Citizenship Canada (IRCC).
